Hi Elizabeth,

Thank you so much for this information. NIAD would like to move forward with applying for discretionary grant awards for our community event, [Glamour Moves](#), happening on September 12th at NIAD. We meet all the criteria outlined and would welcome the opportunity to apply. I reviewed the document, can you let me know about next steps? I'm more than happy to provide whatever is needed. We are requesting \$1,500 as first time grantees.

Many of the artists we serve daily are San Pablo residents and we are excited to showcase their work and invite their friends, family and city-wide community to celebrate them at NIAD on September 12.

Thanks so much,

Caitlin

Good morning All,

I hope this email finds you well. The San Pablo City Council recently adopted a policy on funding one-time, discretionary grant awards for special events activities and events sponsored by eligible non-profit organizations.

Please find attached the Resolution as well as the Policy to review eligibility criteria, funding tiers, and applications timelines.

Please note: Any special event sponsorships for special activities or events received by the City Manager's Office and being scheduled in FY 2026-27 will be processed on July 1, 2026 on a first-come, first serve basis on date received.

Thank you,
