

# SUPPORT THE CONTRA COSTA COMMUNITY COLLEGE BOND

## ***SAFE, AFFORDABLE COLLEGES FOR ALL***

### **Our Students Need Modern Colleges and Affordable Career Training.**

Contra Costa's community colleges offer an affordable path to opportunity while strengthening our local workforce and economy. However, many classrooms and facilities are now decades old, with aging buildings and outdated labs making it harder to deliver the education and job training today's economy demands.

The Contra Costa Community College District (4CD) supports one out of every 25 jobs in the county, injecting \$2.3 billion annually to our local economy, and prepares nearly 50,000 students a year for well-paying, essential careers. This bond will allow our colleges to continue to delivering for our students.

**We need your support for 4CD's bond measure in the June election.**

### **What This Bond Will Do**
