

FIRST AMENDMENT
TO THE
TRANSIT SHELTER IMPLEMENTATION AGREEMENT

THIS FIRST AMENDMENT to the Transit Shelter Implementation Agreement is entered into this 29th day of September 2009 (the "Amendment") , by and between Clear Channel Outdoor, Inc. (hereinafter "Contractor"), and the Alameda-Contra Costa Transit District (hereinafter "District"), acting on behalf of the following: the County of Alameda and the cities of Albany, Berkeley, Fremont, Hayward, Newark, Richmond, San Leandro and San Pablo.

RECITALS

A. In 1998, the District and the County of Alameda and the cities of Albany, Berkeley, Fremont, Hayward, Newark, and San Leandro (the "Original Participating Entities") entered into a Joint Exercise of Powers Agreement (hereinafter "JPA") for the purpose of obtaining a contractor to construct and maintain bus shelters within the boundaries of the District and the participating entities, and to develop a transit shelter advertising program; and

B. In 2003, the cities of Richmond and San Pablo (the "New Participating Entities") joined the JPA, and a proposed "Rapid Transit" line along the San Pablo Corridor (from Oakland to San Pablo) was implemented which required the installation of 32 bus shelters and related amenities along the corridor; and

C. In November 1999, the District and the Original Participating Entities of the JPA entered into a Transit Shelter Implementation Agreement (the "Agreement") with Lamar Outdoor Corporation ("Lamar"), granting Lamar the exclusive right to erect and maintain transit shelters and to place advertising on them during the term of the Agreement and in accordance with the terms contained therein; and

D. In 2007-08, the District and the Original Participating Entities and the New Participating Entities of the JPA (collectively, the "Participating Entities") executed Consents to the Assignment of the rights and obligations under the Agreement with Lamar to Clear Channel Outdoor Corporation (herein "Contractor"); and

E. The District, acting on behalf of the Participating Entities of the JPA, now desires to extend the term of the Agreement and make other modifications to the Agreement as set forth herein.

NOW THEREFORE, in consideration of the faithful performance of the terms, conditions, promises and covenants contained in the Agreement and in this First Amendment to the Agreement, the parties agree as follows:

1. The Agreement is amended as set forth below, and except for the modifications contained herein, the terms of the original Agreement shall remain in full force and effect.

2. Section II. TERM OF AGREEMENT is amended to extended the Agreement for an additional 5 year period from November 9, 2009 through November 9, 2014.

3. Subsection III.A.2.e.1 of the Agreement is amended as follows:

Subsection III.2.e.1.1 is added to read:

1. Contractor shall install a maximum of 500 shelters, 400 advertising and 100 non-advertising. Notwithstanding the foregoing, a minimum 4 to 1 ratio of advertising to non-advertising shelters must be maintained in the jurisdictions of each Participating Entity. The number of shelters and the ratio of non-advertising shelters shall also be applicable to the bus shelters to be installed in the jurisdictions of the New Participating Entities.

Subsection III.2.e.1.2. is added to read:

2. Notwithstanding the requirements set forth in the individual Local Implementing Agreements and their varying states of completion, this extension to the Transit Shelter Implementation Agreement allows a grace period of 2 years for Contractor to provide solely maintenance and relocations for the shelters across the jurisdictions of the Participating Entities. Subsequent shelter capital build-outs for the remaining 3 years of the term extension shall be discussed and agreed upon after the first 18 months of this extension. Possible options include, but not limited to:

* A benchmarking approach using advertising revenue and/or percentage of faces filled to determine the number of shelters that can be installed; or

* A specified number of build-outs according to the needs of the Participating Entities.

Subsection III.2.e.1.3. is added to read:

3. Notwithstanding III.2.e.1.2. hereinabove, where Participating Entities provide capital and installation costs, Contractor will install advertising shelters during the entire 5 years of the extension period. If non-advertising shelters are desired, within the initial 2 year period of the extension Contractor will charge and include maintenance costs as part of capital costs.

4. Subsection III.A.2.f. is added to read as follows:

f. Inventory of Shelters. Contractor shall ensure that a full and accurate inventory of shelters is submitted to the JPA at the time of annual reports, ensuring that updates and dissemination of updates are made through the year.

5. Subsection IV.A.5. is amended to add the following:

"an annual report, using the template in Exhibit A attached to this Amendment, prepared and signed by the Finance Manager for Clear Channel Outdoor, Inc. - Northern California Division. The summary component shall include an approximation of staff costs, advertising occupancy rates, average rate, commissions, number of units used in calculating depreciation and net revenue for the District."

6. Section VII.B.1. is amended to add subsection VII.B.1.1. to read as follows:

B.1.1. Notwithstanding subsection VII.B.1. above, if Contractor agrees, up to 5 non-standard, privately financed bus shelters and/or kiosks per year can be included under the maintenance sections of this Agreement. The funding entity will provide replacement parts to Contractor as spares, if the design is unique. Where possible and with agreement from the private funding entity, Contractor may use vacant space for advertising. The shelters can be added to this Agreement by way of a Memorandum of Understanding (MOU) between the private funding entity and Contractor.

7. Section X.F. is amended to add the following after the final sentence of subsection F:

For the initial 2 years of this extension, relocations of shelters will be limited to no more than 5 shelters per calendar year across the Participating Entities. After the initial 18 months, this limit will be revisited and discussed in conjunction with the Capital Build-out Program.

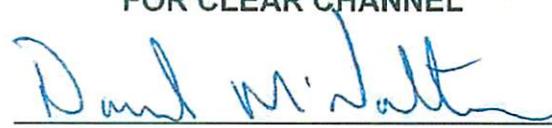

IN WITNESS WHEREOF, the parties have executed this First Amendment to the Transit Shelter Implementation Agreement.

FOR THE DISTRICT

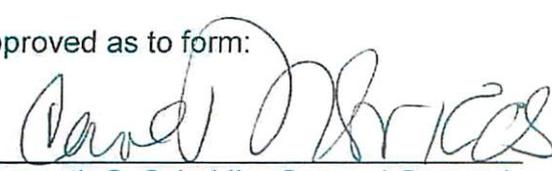

FOR CLEAR CHANNEL

Rick Fernandez, General Manager

David McWalters
Sr. Vice-President, Real Estate

Approved as to form:

Kenneth C. Scheidig, General Counsel

**AC TRANSIT-BUS SHELTER OPERATIONS
CLEAR CHANNEL OUTDOOR
INCOME STATEMENT
FOR THE YEAR ENDED OCTOBER 31, 2008**

Revenues	
Shelter Revenue	<u>\$491,274</u>
Total Revenues	<u>\$491,274</u>
 Expenses	
Production Paper	\$2,187
Automobile	\$753
Structure maintenance	\$108,450
Gas & Electric	\$1,883
*Admin Fee	\$73,560
*Admin Labor	\$223,397
Bad Debt	\$330
*Facility/Office	\$206
*Property Taxes	\$10,416
*Depreciation	<u>\$217,617</u>
Total Expenses	\$638,799
 Net Income	 <u>(\$147,525)</u>

Notes:

Admin Fee: Anticipated invoice expense of \$88,273 (\$88,273/12 X 10 mos)

Admin Labor: Allocated expense of administrative support.

Facility/Office: Expenses primarily represent nominal supplies expense. Payments for office rent and associated administrative supplies/services are charged against our Division office business unit, not the AC Transit-specific business unit.

Property Tax: Expense based on accrual. Currently awaiting property tax bill.

Depreciation: Initial value based on an appraisal due to Lamar acquisition. Due to the merger, the shelter assets were again brought into our system at net book value on July 1, 2009 with a 10 year life. The shelter assets are currently identified as a one-line temporary asset.
