Dearest sirs and madams of the City of San Pablo,

My name is Milyn Sanchez, and I am writing you today to submit my application and my letter for consideration for San Pablo City Council. As a proven leader with more than a decade of leadership roles and working with a diverse group of organizations I have produced great results. I am very interested in this opportunity and bringing my experience and to grow with San Pablo City Council.

With 10 years of experience in a leadership role and 4 years of public service, I know I am able to bring my abilities to the city council. I graduated with a B.A in Management from Golden Gate University; I am currently enrolled as a MBA candidate for LSU Shreveport and I have built my career in retail management before making the switch to public service. Mostly my recent experience stems from public service where I help with those in need. I have held leadership positions in college such as Northern California Governor through a Greek organization. My most recent position has been Business Manager through the Filipino American Human Service Employee Association, where I help with fundraising ideas and help plan and prepare for the annual FAHSEA party in the summer. In addition, I am an active member of SEIU 1021 with union activism serving as a Union Steward.

My involvement with San Pablo has been very minimal in the past, but through my son's involvement with Youth commission in the past it has changed to where I want to be a part of the community versus just donating to the community.

I currently work with City and County of San Francisco and through my work and dedication to help those in need I believe I am a right fit for the vacancy.

I have lived in San Pablo for over 7 years; I have seen this city grow into what it is today. I would love to be apart of the continued growth and help assisting in future growth of our city. Thank you for your consideration.

Regards,
