

City of San Pablo, California

Certificate of Special Recognition

The San Pablo City Council congratulates

San Pablo Smiles Dentistry

Winner of the 2023 San Pablo Small Business of the Year Award

San Pablo Smiles exemplifies the best of what San Pablo has to offer in terms of quality family dental care, community involvement, and leadership. Drs. Joshua Rosales and Lisa Pham took over this practice shortly before the start of the pandemic, and worked to retain staff and continue to serve the San Pablo Community through the most challenging times. Most importantly, Drs. Rosales and Pham reopened the free dental clinic at Peres Elementary, providing essential dental care onsite. In addition, the outgoing and attentive front-line staff, hygienists and dental assistants follow up with patients to make sure needs are being met and questions answered. San Pablo Smiles offers excellent careers in dentistry. We thank Drs. Rosales and Pham for being valuable employers in San Pablo and for putting patients first.
