Consultant agrees to provide on-call planning support services to the City in conformance with the pricing submitted by Consultant, MIG, (Exhibit A), which is attached and incorporated herein by reference. In the event of any discrepancy between any of the terms of Consultant's proposal and this agreement, the terms most favorable to the City shall prevail.

Quality of Performance

Consultant agrees to perform these services in accordance with the standards of its profession and within the terms of this agreement, and shall at all times be provided on a basis satisfactory to the City Manager, and shall at a minimum be consistent with all goals and objectives set forth herein.

Consultant shall be solely responsible for the quality and suitability of services provided pursuant to this Agreement. The City Manager or designee shall determine whether services provided by Consultant pursuant to this Agreement are satisfactory to the City. If during the course of this Agreement, it is determined services being provided are not satisfactory, Consultant shall take such corrective action as the City may require. Failure to promptly take such action shall constitute a material breach of this Agreement and cause for termination in the City's discretion. This standard of care is not intended and shall not be construed to impose an obligation on the City within the meaning of Government Code Section 815.6.

Time is of the Essence. In the performance of this agreement, time is of the essence. Consultant shall be available to begin performance of services under this agreement immediately upon written notification of the execution of this agreement.

(2) **Compensation.** Notwithstanding any contrary indications which may be contained in Consultant's proposal, in exchange for the satisfactory performance of services that satisfy and timely achieve the milestones, performance commitments and outcomes identified herein and in the attached exhibits, City hereby agrees to pay Consultant a sum not to exceed **one hundred eighty-four thousand dollars (\$184,000.00)** as follows:

Consultant shall be paid within thirty (30) days of receipt of billings for work completed and approved. Invoices shall be submitted containing all information contained in paragraph 6 "Billings" below. In no event shall Consultant be entitled to compensation for extra work unless an approved change order, or other authorization describing the extra work and payment terms, has been executed by City prior to the commencement of the work.

Invoices must be signed by an authorized representative of Consultant, who shall verify that the invoiced services have been performed.

If the three additional one-year options set forth in Section 4 are each authorized by the City Manager, then the compensation for three additional one-year options shall not exceed one hundred ninety thousand dollars (\$190,000) per year (based on \$90,000 in current budget appropriation for contracted planning support, plus \$100,000 contingent on approval of transfer from salary savings, if available), for a 4-year cumulative contract total not to exceed seven hundred fifty-four thousand (\$754,000).

The City and Consultant shall agree in writing to any changes in compensation and/or changes in Consultant's services prior to the commencement of any work. If Consultant deems work it has been directed to perform is beyond the scope of this agreement and constitutes extra work,

Consultant shall immediately inform the City in writing of the fact. The City shall make a determination as to whether such work is in fact beyond the scope of this agreement and constitutes extra work. In the event that the City determines that such work does constitute extra work, it shall provide compensation to the Consultant in accordance with an agreed cost that is fair and equitable.

This cost will be mutually agreed upon by the City and Consultant. A supplemental agreement providing for such compensation for extra work shall be negotiated between the City and the Consultant.

Consultant will exercise its judgment in recommending to City the methods by which to accomplish City's objectives and desires. In any case where an opportunity is made available to Consultant, Consultant will determine whether it possesses sufficient training and background to carry out whatever objective is sought by the City. If Consultant accepts an engagement, such an acceptance is deemed an affirmative admission that Consultant possesses the necessary skills, background, and licenses to perform the needed services. Consultant acknowledges that the City will provide no training. Consultant will provide whatever tools and materials that are necessary to complete a client engagement. Consultant is free to accept, and has accepted in the past, other client engagements. The contract and subcontract numbers and dollar amounts shall be contained in a separate section of such document or written report. When multiple documents or

(15) Assignment and Subcontracting. It is recognized by the parties that a substantial inducement to City for entering into this agreement was, and is, the reputation and competence of Consultant. The assignment of this Agreement by Consultant, or any interest therein, is prohibited without the prior written approval of the City's Development Services Director. Consultant shall not subcontract any portion of the performance contemplated and provided for herein without prior written approval of the City's Development Services Director.

The endorsements are to be signed by a person authorized by that Insurer to bind coverage on its behalf. The endorsements are to be on forms provided by the city, unless the insurance company will not use the City's forms. All endorsements are to be received and approved by the City before work commences. However, failure to do so shall not operate as a waiver of these insurance requirements. As an alternative to the City's forms, the Consultant's insurer may provide complete copies of all required insurance policies, including endorsements effecting the coverage required by the specifications.

10. Subcontractors

Consultant shall require and verify that all subcontractors maintain insurance meeting all the requirements stated herein.

(17) **Standard of Care.** It is understood and agreed that Consultant has the professional skills, experience, and knowledge necessary to perform the work agreed to be performed under this agreement, that City relies upon the professional skills of Consultant to do and perform Consultant's work in a skillful and professional manner consistent with the standard of care of the of the industry, and Consultant thus agrees to so perform the work. Acceptance by City of the work performed under this agreement does not operate as a release of said Consultant from such professional responsibility for the work performed. It is further understood and agreed that Consultant is apprised of the scope of the work to be performed under this agreement and Consultant agrees that said work can and shall be performed in a manner consistent with the standards of the profession. This standard of care is not intended and shall not be construed to impose an obligation on the City within the meaning of Government Code Section 815.6.

In City's discretion and at City's option, such termination for cause may alternatively be accomplished, where Consultant fails to perform any of the obligations

required of Consultant within the time and in the manner provided for under the terms of this agreement, within seven days after receipt from the notice of such default. Upon City's termination of this agreement for cause, City reserves the right to complete the work by whatever means City deems expedient and the expense of completing such work, as well as any and all damages to the extent caused by the negligent acts, intentional acts or errors or omissions of the Consultant, shall be charged to the Consultant.

Any litigation involving this Agreement or relating to the work shall be brought in Contra Costa County, and Consultant hereby waives the removal provisions of Code of Civil Procedure Section 394.
