Hi Lehny,

I have been trying to schedule a meeting with the COPAG group and received this notification this morning. Please see the email from Mayra Lopez, she can no longer serve on the advisory group due to a change with her job. Her email is below. I had already encouraged her that she can remain aboard but I believe in addition to her work moving outside of West County, it was a capacity issue of her not having enough time to commit to it.

I took the liberty of updating the list and removed her name (changed to VACANT). What once was 4 out of 5 members, is now back down to 3 out of 5.

Sincerely,

Hi Greg,

I hope you are doing well. I'm sorry to say that unfortunately I will be unable to stay on this advisory committee. My work is primarily in East County with the Tobacco Prevention team. Thank you for your time and consideration to be on this committee. I hope I am able to work with all you again in the future.

Keep up the amazing work in San Pablo!
