Save your seat!

**4th Annual
Youth Public Safety Academy**

Register today

**June 15-July 2
9am - 2pm**

This program aims to familiarize students with hiring, training, and emergency response protocols, aiding them in acquiring the essential soft skills required for a career in public safety.

Discover career possibilities and immerse yourself in the everyday lives of

- Dispatchers
- Security
- Police officers
- Firefighters
- emergency medical services (EMS) personnel!

Participants will engage in hands-on training covering:

- crime scenes
- investigations
- arrest scenarios
- fire response
- emergency medical response
- and other critical situations including dispatch.

- Ideal Public Safety Drone Training Environment
- Close Proximity To: Major Airports, Freeways, Hotels, and Restaurants

California Has Awesome LPS Training!

The summit is an annual training day for teachers and administrators in the law and public safety areas. There will also be preconference training for those looking for a deep dive in a specific content area.

"This was the best training I've been to in my 22 years of teaching! It was specific to my needs as a fire teacher!" Summit attendee

Sessions

There will be sessions for every pathway in the law and public safety area: Law Enforcement, Fire, Emergency Medical, Legal Services and many more. Sessions will cover industry specific information as well as generalized content.

"My network has quadrupled! The update session from CalPOST brought me up to speed with the most accurate career information for my kiddos." Summit attendee
