

**RESOLUTION 2026-###**

**RESOLUTION OF THE CITY COUNCIL OF THE CITY OF SAN PABLO APPROVING SENATE BILL 1 (SB 1) ROAD MAINTENANCE AND REHABILITATION ACCOUNT FUNDING AND PROJECT LIST FOR FISCAL YEAR 2026-27 TO BE COMPRISED OF THE GIANT ROAD PAVEMENT REHABILITATION PROJECT (0601) AND THE SAN PABLO DAM ROAD I-80 GATEWAY IMPROVEMENTS PROJECT (0605)**

WHEREAS, Senate Bill 1 (SB 1), the Road Repair and Accountability Act of 2017 (Chapter 5, Statutes of 2017), was passed by the California State Legislature and signed into law by the Governor in April 2017 to address the significant multi-modal transportation funding shortfalls statewide;

WHEREAS, SB 1 includes accountability and transparency provisions that will ensure the residents of our City are aware of the projects proposed for funding in our community and which projects have been completed each fiscal year;

WHEREAS, the City of San Pablo must adopt by resolution a list of projects proposed to receive fiscal year funding from the Road Maintenance and Rehabilitation Account (RMRA), created by SB 1, which must include a description and the location of each proposed project, a proposed schedule for the project's completion, and the estimated useful life of the improvement;

WHEREAS, the City of San Pablo will receive an estimated \$903,625 in RMRA funding in Fiscal Year 2026-27 from SB 1, contingent upon the City Council's approval of the FY 2026-27 and FY 2027-28 Biennial Budget and Capital Improvement Plan (CIP) scheduled for June 15, 2026;;

WHEREAS, this is the tenth year in which the City is receiving SB 1 funding and will enable the City to continue essential road maintenance and rehabilitation projects, safety improvements, repairing and replacing aging bridges, and increasing access and mobility options for the traveling public that would not have otherwise been possible without SB 1;

WHEREAS, the City of San Pablo has undergone a robust public process to ensure public input into our community's transportation priorities/project list;

WHEREAS, the City used a Pavement Management System to develop the SB 1 project list to ensure revenues are being used on the most high-priority and cost-effective projects that also meet the community's priorities for transportation investment;

WHEREAS, the funding from SB1 will help the City maintain and rehabilitate two streets, add active transportation infrastructure throughout the City this year, and undertake similar projects into the future;

WHEREAS, the 2023 California Statewide Local Streets and Roads Needs Assessment found that the City of San Pablo's streets and roads are in an at-risk condition and that this revenue will help us increase the overall quality of our road system, and over the next decade will bring our streets and roads into a good condition; and

WHEREAS, the SB 1 project list and overall investment in our local streets and roads infrastructure with a focus on basic maintenance and safety, investing in complete streets infrastructure, and using cutting-edge technology, materials and practices, will have significant positive co-benefits statewide.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of San Pablo, as follows:

The following previously proposed and adopted projects will utilize Fiscal Year 2026-27 Road Maintenance and Rehabilitation Account (RMRA) revenues in their delivery. With the relisting of these projects in the adopted fiscal year resolution, the City of San Pablo is reaffirming to the public and the State our intent to fund these projects with Road Maintenance and Rehabilitation Account revenues:

**Project Title:** Giant Road Pavement Rehabilitation Project

**Project Description:** Pavement rehabilitation, pavement resurfacing/overlay and slurry seal, upgrade curb ramps to current ADA standards, eliminate sidewalk hazards.

**Project Location:** Giant Road from Brookside Drive to Miner Avenue

**Estimated Project Schedule:** Start (07/26) – Completion (09/26) based on the component being funded with RMRA funds

**Estimated Project Useful:** 5-10 Years

**Project Title:** San Pablo Dam Road I-80 Gateway Improvements Project

**Project Description:** Grinding and paving, improvements to medians, sidewalks, and pedestrian crossings, traffic signal improvements and re-striping.

**Project Location:** San Pablo Dam Road between San Pablo Avenue and the I-80 overpass

**Estimated Project Schedule:** Start (06/26) – Completion (06/27)  
**Estimated Project Useful:** 10 Years

BE IT FURTHER RESOLVED that the foregoing recitations are true and correct and are included herein by reference as findings.
