Subject: San Pablo Pride Proclamation

Hello Matt,

Thank you for considering issuing a pride proclamation and flying the rainbow flag for pride month. June is celebrated as LGBT Pride Month throughout the world, and many cities fly the rainbow flag to show their commitment to inclusion and their recognition of the LGBT people who live, work, and play there.

Attached please find a sample proclamation that was used by El Cerrito and Concord in past years. Please let me know if you have any additional questions or concerns. Thank you!

Sincerely,
