WHEREAS, the California Constitution, Article XI, Section 7, provides cities and counties with the authority to enact ordinances to protect the health, safety, and general welfare, of their citizens; and

WHEREAS, California voters enacted the Compassionate Use Act (“CUA”) in 1996, legalizing medical cannabis; and

WHEREAS, in 2003, the California Legislature (“Legislature”) adopted the Medical Marijuana Program Act (“MMPA”) allowing for collective, cooperative cultivation projects, commonly known as “dispensaries”; and

WHEREAS, in 2015, the Legislature enacted the Medical Cannabis Regulation and Safety Act (“MCRSA”), creating a comprehensive licensing and regulatory scheme for the cultivation, manufacturing, distribution, transportation, laboratory testing, and dispensing of medical cannabis; and

WHEREAS, in November 2016, California voters passed Proposition 64, the Control, Regulate, and Tax Adult Use of Marijuana Act (“AUMA”), legalizing recreational cannabis use for adults 21 years of age and older with certain restrictions; and

WHEREAS, AUMA created a comprehensive regulatory and licensing structure for commercial nonmedical cannabis businesses, including cultivation, manufacturing and retail; and

WHEREAS, in June 2017, the Legislature adopted SB 94, the Medicinal and Adult-Use Cannabis Regulation and Safety Act (“MAUCRSA”), which effectively merged the recreational statutory framework under AUMA with the medical statutory framework under MCRSA, creating a single uniform licensing and regulatory framework for all commercial cannabis uses (i.e., both medical and recreational uses); and

WHEREAS, in January 2018, the State of California began issuing licenses for both medical and recreational commercial cannabis businesses, unless a local jurisdiction expressly prohibited the establishment of any such business;

WHEREAS, the CUA, MMPA, AUMA, MCRSA, and MAUCRSA all continue to authorize the City to adopt and enforce local ordinances regulating, or completely prohibiting, the establishment or operation of commercial cannabis activities within the City of San Pablo, even those activities that are otherwise able to be licensed under state law; and

WHEREAS, the California Planning and Zoning Law (California Government Code Section 65000 et seq.) and section 7 of Article XI of the California Constitution authorizes the City to adopt and administer zoning laws, ordinances, rules, and regulations; and

WHEREAS, the City Council now desires to permit and regulate certain commercial cannabis activities within the City, all in a manner that mitigates potential negative impacts, prevents cannabis from reaching minors or the illicit market, preserves public health and safety, protects the environment, drives diverse economic opportunities, and implements the City's General Plan, the 23rd Street Specific Plan, and the San Pablo Avenue Specific Plan; and

WHEREAS, an applicant for a state commercial cannabis license must first obtain local approval prior to receiving state approval and cannot submit an application for a state license if the proposed cannabis business violates a local ordinance; and

WHEREAS, no personal cultivation of cannabis or any commercial cannabis business shall be permitted within the City of San Pablo unless it complies with the provisions of Section 17.62.130; and

WHEREAS, the proposed amendments are consistent with the City of San Pablo General Plan and meet the intent of policies related to economic development and land use; and

WHEREAS, the proposed amendments are consistent with the purposes of the San Pablo Zoning Ordinance as set forth in Section 17.01.020; and

WHEREAS, the proposed amendments are exempt from the California Environmental

Quality Act (CEQAA) in accordance with CEQA Guidelines Section 15061(b)(3) because it can be seen with certainty that there is no potential for causing a significant effect on the environment because the Project solely involves text changes to the municipal code, does not authorize any construction activities, and specifically requires a discretionary conditional use permit process and accompanying environmental review in the event that any facility is actually proposed; and

WHEREAS, the Planning Commission held a duly noticed public hearing on the adoption of this Ordinance on January 28, 2025 and recommended approval of the Ordinance and provided advisory suggestions regarding buffering distances and potential to also allow on-site consumption; and

WHEREAS, a duly noticed public hearing was held by the City Council on February 18, 2025 to consider this Ordinance amending San Pablo Municipal Code Chapter 17.32, Section 17.32.030; Chapter 17.34, Section 17.34.030; Chapter 17.36, Section 17.36.030; Chapter 17.62, Section 17.62.130; and Chapter 17.70, Section 17.70.040 and the City Council waived first reading and introduced the Ordinance as set forth below without the Planning Commission's advisory suggestions; and

WHEREAS, at its regular meeting on March 3, 2025 the City Council waived second reading and voted to adopt the Ordinance.
