

ORDINANCE 2025-###

ORDINANCE OF THE CITY COUNCIL OF THE CITY OF SAN PABLO APPROVING AMENDMENTS TO THE SAN PABLO ZONING CODE CHAPTER 17.32, RESIDENTIAL DISTRICTS, ALLOWED USES, AND DEVELOPMENT STANDARDS; CHAPTER 17.34, COMMERCIAL AND INDUSTRIAL DISTRICTS, ALLOWED USES, AND DEVELOPMENT STANDARDS; AND CHAPTER 17.38, OVERLAY AND SPECIAL DISTRICTS, SECTION 17.38.080, SPECIFIC PLAN DISTRICTS; AMENDMENTS TO THE SAN PABLO ZONING MAP TO REDESIGNATE 139 PROPERTIES TO BE CONSISTENT WITH THE LAND USE DESIGNATIONS OF THE SAN PABLO GENERAL PLAN UPDATE 2035; AND AMENDMENTS TO THE SAN PABLO AVENUE SPECIFIC PLAN FIGURE 2-4, LAND USE DIAGRAM, TO REDESIGNATE 18 PROPERTIES TO BE CONSISTENT WITH THE LAND USE DESIGNATIONS OF THE SAN PABLO GENERAL PLAN UPDATE 2035.

WHEREAS, on October 1, 2007, the City of San Pablo adopted the 23rd Street Specific Plan to provide a long-term strategy to revitalize and increase the development potential for a major commercial corridor; and this plan has now become out of date due to the loss of Redevelopment Authority and other factors;

WHEREAS, on April 18, 2011, by Resolution 2011-046, the City of San Pablo adopted the San Pablo General Plan 2030, and since then considerable growth and change has taken place;

WHEREAS, on April 18, 2011, by Resolution 2011-045, the City Council of the City of San Pablo certified a Final Environmental Impact Report ("2011 EIR") for the San Pablo General Plan 2030, and adopted a Statement of Overriding Considerations regarding significant and unavoidable transportation impacts;

WHEREAS, on September 19, 2011, by Resolution 2011-105, the City of San Pablo adopted the San Pablo Avenue Specific Plan;

WHEREAS, on May 18, 2015, the City of San Pablo adopted the City of San Pablo, California Zoning Ordinance as Municipal Code Title 17, incorporating land use changes to the City's General Plan and San Pablo Avenue Specific Plan, both of which were adopted in 2011 by the City Council;

WHEREAS, updates to the General Plan 2030, along with the adopted Housing Element 2023-2031, have been undertaken to recognize the community progress that has been made since 2011, to outline future land use and growth strategies, to ensure consistency with other planning documents and initiatives, and to allow for increased focus in the areas of housing production, reductions to vehicle miles traveled, environmental justice, and updates to land use planning along the Rumrill Boulevard and 23rd Street corridors and other key locations, all of which are collectively referred to as "General Plan Update 2035";

WHEREAS, the General Plan Update 2035 includes the proposed redesignation of land uses for 139 land parcels, including 85 within the Rumrill Corridor area and 18 within the San Pablo Avenue Specific Plan area, to better reflect existing conditions, future development potential, and housing production goals, as well as property owner requests, and notices about these proposed changes have been mailed to the property owners of the subject properties in accordance with the requirements of Government Code Sections 65854, 65090, and 65091, as applicable;

WHEREAS, California Government Code Section 65860 requires that, in the event that a zoning ordinance becomes inconsistent with a general plan by reason of amendment to the general plan, or to any element of the plan, the zoning ordinance shall be amended within a reasonable time so that it is consistent with the general plan, as amended;

WHEREAS, the Zoning Code, Zoning Map and San Pablo Avenue Specific Plan Diagram therefore must be amended to be made consistent with the proposed Land Use Map and the land use designations described in the General Plan Update 2035;

WHEREAS, on May 27, 2025, the San Pablo Planning Commission held a duly noticed public hearing in accordance with the requirements of Government Code Section 65090, to consider recommending adoption of the General Plan Update 2035, including the Rumrill Corridor Plan Appendix, and voted to recommend approval to the City Council pursuant to Resolution PC25-07, by a vote of 3 ayes and 2 absent;

WHEREAS, on July 7th, 2025, the San Pablo City Council held a duly noticed public hearing in accordance with the requirements of Government Code Section 1090 and adopted General Plan 2035 pursuant to Resolution 2025-097, which repealed the 23rd Street Specific Plan and portions of General Plan 2030 (not including the 2023-2031 Housing Element) and included the Rumrill Corridor Plan addendum and approval of an Addendum to the General Plan 2030 EIR, which was previously certified on April 18, 2011;

WHEREAS, the proposed Zoning Ordinance text amendment, zoning map amendment, and amendment to the San Pablo Avenue Specific Plan (collectively, the "Project") implement updates to the San Pablo General Plan 2035 and thus are covered by the environmental determination for the General Plan update;

WHEREAS, on June 24, 2025, the San Pablo Planning Commission held a duly noticed public hearing in accordance with the requirements of Government Code Sections 65854 and 65091, to consider recommending adoption of the proposed Zoning Ordinance text amendment, zoning map amendment, and amendment to the San Pablo Avenue Specific Plan (collectively, the "Project"), and voted to recommend such approval to the City Council pursuant to Resolution PC25-12;

WHEREAS, an addendum to the 2011 EIR was prepared for General Plan Update 2035 (“Addendum,” incorporated herein by reference), and this Addendum concluded that there are no substantial changes proposed by the General Plan Update 2035 or the circumstances in which the General Plan Update 2035 would be undertaken that require major revisions to the 2011 EIR, that there are no mitigation measures or alternatives previously found not to be feasible that would in fact be feasible, and that the General Plan Update 2035 is consistent with and within the scope of the impacts identified in the 2011 EIR in accordance with CEQA Guidelines Section 15162;

WHEREAS, the proposed Project implements General Plan Update 2035, including new land use designations, densities, and development standards, and therefore the Addendum adequately and accurately evaluates the Project’s environmental impacts. There are no substantial changes proposed by the General Plan Update 2035 or the Project or the circumstances in which the Project would be undertaken that would require major revisions to the 2011 EIR. There are no mitigation measures or alternatives previously found not to be feasible that would in fact be feasible, and the Project would be consistent with and within the scope of the 2011 EIR in accordance with CEQA Guidelines section 15162;

WHEREAS, on July 21, 2025, the City Council conducted a duly and properly noticed public hearing to take public testimony and consider this Ordinance;

WHEREAS, the City Council has reviewed the entire record for this proposed Ordinance, including the staff report and all attachments, and oral and written public comments; and

WHEREAS, notice of this public hearing was published in the West County Times newspaper (West Contra Costa edition of the East Bay Times) on Tuesday, July1, 2025, in accordance with the requirements of Government Code Section 65091.

The City Council of the City of San Pablo does ordain as follows:

Section 1. The City Council makes the following findings, pursuant to Section 17.22.040 of the San Pablo Municipal Code:

- A. This ordinance was initiated by the City of San Pablo staff as a means of amending the San Pablo Zoning Ordinance to bring it into consistency with the newly updated San Pablo General Plan 2035 and has been recommended for approval by the Planning Commission of the City of San Pablo following a duly noticed public hearing on June 24, 2025.
- B. A duly noticed public hearing of the City Council was scheduled on July 21, 2025 to consider this amendment to the Zoning Ordinance of the City of San Pablo codified as Title 17 of the San Pablo Municipal Code.

- C. This Ordinance is consistent with the following City of San Pablo General Plan Policies for Land Use:

2-G-1 Promote development of San Pablo Avenue as an attractive boulevard, lined with a diverse array of uses that promote vibrant street life, and maintain eyes on the street at all times.

2-I-1 Establish mixed-use, transit-supportive nodes of development near the intersections of San Pablo Avenue and the following streets: Rumrill Boulevard, El Portal Drive, Church Lane, and San Pablo Dam Road.

2-I-12 Allow commercial uses to occupy the Public/Institutional area on the north side of Vale Road if medical office facilities vacate.

4-G-3 Encourage a mix of uses that is compatible with and caters to the needs of the community design.

4-I-6 Line San Pablo Avenue, the new “main street” and any other principal street frontages with commercial uses.

- D. This Ordinance is consistent with the following San Pablo Avenue Specific Plan policies:

2-G-1 Promote development of San Pablo Avenue as an attractive boulevard, lined with a diverse array of uses that promote vibrant street life, and maintain eyes on the street at all times.

Implementing Policies:

2-I-1 Establish mixed-use, transit-supportive nodes of development near the intersections of San Pablo Avenue and the following streets: Rumrill Boulevard, El Portal Drive, Church Lane, and San Pablo Dam Road.

2-I-12 Allow commercial uses to occupy the Public/Institutional area on the north side of Vale Road if medical office facilities vacate.

Guiding Policy for Urban Design and Building Development Standards:

4-G-3 Encourage a mix of uses that is compatible with and caters to the needs of the community design

Implementing Policy:

4-I-6 Line San Pablo Avenue, the new “main street” and any other principal street frontages with commercial uses.

E. This Ordinance is consistent with the purposes of the Zoning Ordinance:

Pursuant to Zoning Ordinance Section 17.01.020, Purpose, the purpose of the ordinance is to promote growth of the city in an orderly manner and to promote and protect the public health, safety, peace, comfort, and general welfare in conformance with the general plan. In addition, pursuant to Zoning Ordinance Section 17.32.010, Purpose, the ordinance helps to produce healthy, safe, and attractive neighborhoods in San Pablo, consistent with the policy direction in the San Pablo general plan.

F. This Ordinance facilitates updates to the General Plan Land Use element and the Rumrill Corridor Plan, aligning the Zoning Ordinance with these key policy documents and implementing land use changes that are designed to better promote orderly and positive growth and development in San Pablo.

G. The proposed Zoning Ordinance text amendment, zoning map amendment, and amendment to the San Pablo Avenue Specific Plan (collectively, the “Project”) would implement updates to the proposed San Pablo General Plan 2035 and thus are covered by the environmental determination for the General Plan update. An addendum to the 2011 EIR was prepared for General Plan Update 2035, and this Addendum concluded that there are no substantial changes proposed by the General Plan Update 2035 or the circumstances in which the General Plan Update 2035 would be undertaken that would require major revisions to the 2011 EIR, that there are no mitigation measures or alternatives previously found not to be feasible that would in fact be feasible, and that the General Plan Update 2035 would be consistent with and within the scope of the impacts identified in the 2011 EIR in accordance with CEQA Guidelines section 15162. The proposed Project would implement General Plan Update 2035, including new land use designations, densities, and development standards, and therefore the Addendum adequately and accurately evaluates the Project’s environmental impacts. There are no substantial changes proposed by the General Plan Update 2035 or the Project or the circumstances in which the Project would be undertaken that would require major revisions to the 2011 EIR. There are no mitigation measures or alternatives previously found not to be feasible that would in fact be feasible, and the Project would be consistent with and within the scope of the 2011 EIR in accordance with CEQA Guidelines section 15162.

Section 2. Chapter 17.32, Sections 17.32.020, 17.32.030, and 17.32.040; Chapter 17.34, Sections 17.32.020, 17.32.040; and Chapter 17.38, Section 17.38.080 of the San Pablo Zoning Code are amended to read as follows, with revised text indicated by means of strike-outs and underlines.

§ 17.32.020 **Intent of individual districts.**

A. R-1 District. The R-1 single-family residential district is intended to implement the single-family residential land use designation in the general plan by providing opportunities for single-family homes on individual parcels. The maximum density ordinarily allowable in this district is twelve dwelling units per acre. Accessory dwelling units and accessory uses are also allowed.

B. R-2 District. The R-2 two-family residential district is intended to implement the medium-density multifamily residential land use designation in the general plan by providing opportunities for single-family and two-family homes (duplexes). The maximum density allowable in this district is eighteen dwelling units per acre. Accessory dwelling units and accessory uses are also allowed.

C. R-3 District. The R-3 multifamily residential district is intended to implement the medium-density multifamily residential land use designation in the general plan by providing opportunities for residential development characterized by a mix of housing types, including townhouses, apartments, and condominiums. The maximum density allowable in this district is twenty-four dwelling units per acre. Accessory dwelling units and accessory uses are also allowed.

D. R-4 District. The R-4 high-density multifamily residential district is intended to implement the high-density multifamily residential land use designation in the general plan by providing opportunities in select locations, such as near transit stops or neighborhood retail centers, for residential development characterized by a mix of housing types, including single-family homes, two-family homes, townhouses, apartments, and condominiums. The maximum density allowable in this district is forty-eight dwelling units per acre. Accessory dwelling units and accessory uses are also allowed.

E. RMU District. The RMU residential mixed-use district is intended to implement the residential mixed-use land use designation in the general plan by providing opportunities for mixed-use development that includes residential, office, and retail uses. The maximum floor area ratio (FAR) is 1.5 and the maximum residential density (included within the overall FAR limits) is fifty units per gross acre. Accessory dwelling units and accessory uses are also allowed.

F. PD District. The PD – Planned Development district is intended to implement the Planned Development/Infill Opportunity land use designation of the General Plan and the Rumrill Corridor Plan. The intent of the PD district is to promote high density residential and/or mixed-use development on a cluster of adjacent City-owned sites. Permitted residential density is up to 60 dwelling units per acre. A mix of unit types and live-work housing are encouraged, along with complementary non-residential uses.

§ 17.32.030 Uses allowed.

Notes:

1. Permitted in conjunction with existing and proposed single-family and multiple-family dwellings. Junior accessory dwelling units also allowed in existing and proposed single-family dwellings. See Section [17.60.070](#).
2. Six or fewer persons does not require a use permit and is permitted by right.
3. “Large-family day care” means a home that provides family day care for seven to fourteen children, including children under the age of ten who reside in the home, for periods of less than twenty-four hours per day (Health and Safety Code Section [1596.78](#)).
4. “Small-family day care” means a home that provides family day care for eight or fewer children, including children under the age of ten who reside in the home, for periods of less than twenty-four hours per day (Health and Safety Code Section [1596.78](#)).
5. In all cases, supportive housing and transitional housing are and shall be treated as residential uses, subject only to the permitting requirements that apply to residential uses of the same housing type location in the same zone.
6. Unless the use is exempt, it requires a special event permit.

§ 17.32.040 Development standards.

- A. General. Table 17.32-B establishes property development standards for residential districts. Development standards for accessory dwelling units are contained within Section [17.60.070](#). Standards shown in the table are subject to the rules of measurement set forth in Chapter [17.46](#), Height and Yard Requirements.

Notes:

1. Parcels not meeting the minimum parcel area or parcel frontage requirements are subject to the provisions of Section [17.08.050](#), Nonconforming parking.
2. Parcel coverage may be increased to fifty percent if two R-1 lots of five thousand square feet or less are consolidated.
3. Maximum densities shown in this table may be increased pursuant to the state density bonus law for affordable housing and the city's density bonus ordinance.
4. Additional setbacks may be required for development adjacent to creeks or steep slopes to meet the requirements in Chapter [17.08](#), Nonconformities, and other applicable laws and to ensure safety of development from unstable soils.
5. For residential mixed uses, there is no minimum setback, and maximum setback is twenty feet.
6. Portions of the building facade that exceed twice the height of adjoining buildings shall be set back from the adjoining property line a minimum of ten feet.
7. Twenty-foot setback is required if covered parking is located in the front of the building.
8. Second story not allowed except by use permit.
9. The planning commission shall determine if the placement of side yard windows would jeopardize the privacy of adjacent neighbors. The planning commission may impose greater setbacks or require other design features to protect privacy. The planning commission may also allow a minimum three-foot side yard at the second story if such setback would not jeopardize the privacy of adjacent neighbors. This reduced setback shall apply to one side of the dwelling only.

10. Single-row dwelling groups with side yard access are discouraged and allowed only with a use permit.
11. Within seventy-five feet of an R-1 or R-2 district, the height shall be limited to forty feet eave height, fifty feet roof peak height, and four stories.
12. Average assumed general plan build-out: thirty du/ac with a range between twenty-five to sixty du/ac.
13. Average assumed general plan build-out: fourteen du/ac in a mixed-use project. Consistent with GP—does not trip CEQA unless cumulative average (over time) exceeds average.
14. Development standards for accessory dwelling units are contained within Section [17.60.070](#).

§ 17.34.020 Intent of individual districts.

A. NC District. The NC neighborhood commercial district is intended to implement the commercial land use designation in the general plan by providing small-scale commercial uses that primarily provide convenience, personal services, and social services such as retail and specialty shops, eating and drinking establishments, and commercial recreation. The maximum permitted floor area ratio is 1.0.

B. CR District. The CR regional commercial district is intended to implement the commercial land use designation in the general plan by providing opportunities for uses, such as malls, major department stores, factory outlet stores, and home improvement stores, that serve a very large geographic area. The CR districts are to be located where there is adequate vehicular access to regional markets. Other types of commercial uses are also encouraged, provided they are compatible with the regional uses. The maximum permitted floor area ratio is 0.75 for office uses and 0.40 for non-office uses.

C. CMU District. The CMU commercial mixed-use district is intended to implement the commercial mixed-use land use designation in the general plan by providing opportunities for retail, commercial, office, residential, and public uses. While the predominant development use is commercial, the city encourages the vertical and/or horizontal integration of office, residential, and/or public uses that are compatible with the commercial development. In multiple-story buildings, retail uses should be predominant on the ground floor. The maximum permitted floor area ratio is 1.5. The maximum density allowable in the district is fifty dwelling units per acre.

D. IMU District. The IMU industrial mixed-use district is intended to implement the industrial mixed-use land use designation in the general plan by providing opportunities for light manufacturing, distribution, sales, and services with ancillary commercial and office space uses. Targeted uses include single- and multi-story office, flex-space, and industrial buildings for single and multiple users, warehousing, and research and

development facilities. Retail uses are not permitted. The maximum permitted floor area ratio is 0.6.

E. EMU District. The EMU employment mixed-use district is intended to implement the employment mixed-use land use designation in the General Plan and the Rumrill Corridor Plan by providing opportunities for a range of production, distribution, and repair-oriented businesses, including food production and distribution; small-scale auto and appliance repair; apparel, electronics, and furniture manufacturing; and other creative demonstration, showcase, and assembly uses. On-site live/work housing is also encouraged. On sites over 0.25 acres, multifamily housing is permitted where adequate buffering and noise mitigation is provided. Maximum non-residential FAR is 0.6.

F. MUCW District. The MUCW – Mixed-Use Center West district is intended to implement the Mixed Use Center West land use designation of the General Plan and the Rumrill Corridor Plan. This district is intended to provide for the creation of a prominent gateway into San Pablo with multifamily residential development between 30 to 60 dwelling units per acre and/or activity-generating commercial uses with a maximum FAR of 2.5. A mix of uses is encouraged, with desired commercial uses including a grocery store, restaurants, community-serving shops and services, a food truck park, a production facility with a tasting room or retail sales, or a commercial kitchen with on-site dining.

§ 17.34.030 Uses allowed.

Warehousing and Storage, Outdoors	–	–	–	U	<u>U</u>	=	Chapter 17.52

Notes:

1. A use permit is required if located in other than a single-family dwelling.
2. In all cases, supportive housing and transitional housing are and shall be treated as residential uses, subject only to the permitting requirements that apply to residential uses of the same housing type location in the same zone.
3. Food truck festivals require a temporary use permit.
4. Home improvement centers may be approved under retail sales, regional.
5. Multiunit residential uses permitted only on sites over 0.25 acres, where adequate buffering and noise mitigation is provided, pursuant to Section [17.45.080](#), Screening and Chapter [17.50](#), Noise.

§ 17.34.040 Development standards.

- A. General. Table 17.34-B establishes property development standards for commercial districts. Standards shown in the table are subject to the rules of measurement set forth in Chapter [17.46](#), Height and Yard Requirements.

Table 17.34-B – Commercial and Industrial Districts: Development Standards

	NC	CR	CMU ²	IMU	EMU	MUCW
Minimum parcel area (sf)	2,000	10,000	5,000	No minimum	<u>No minimum³</u>	<u>No minimum</u>
Maximum building height (feet)	30	50	50	65	<u>60</u>	<u>60</u>
Minimum floor area ratio (FAR)	0.3	0.3	0.5	–	=	<u>0.5</u>
Maximum floor area ratio (FAR)	–	–	–	–	<u>0.6⁴</u>	<u>2.5</u>
Office	1.0	0.75	1.5	0.6	=	=
Non-office	1.0	0.5	1.5	0.6	=	=
Maximum density (du/ac)	–	–	50 ¹	–	<u>60</u>	<u>30-60</u>

	NC	CR	CMU ²	IMU	EMU	MUCW
Minimum setbacks (feet)	See Section 17.34.040 (B)					

Notes:

No side yard setback is required except where the side of a parcel abuts the side of a parcel in a residential district or a parcel on which a conforming residential use is located, in which case the side yard shall be not less than ten feet.

No rear yard setback is required except where the rear of a parcel abuts a residential district or on a parcel on which a residential use is located, in which case the rear yard shall not be less than ten feet.

¹Residential uses are only allowed when the commercial FAR is 0.5 or greater.

²For properties within SP1 and SP2 please refer to each specific plan for development and other design standards.

³Minimum parcel size of 0.25 acres required for multifamily residential uses.

⁴Maximum floor area of 0.6 for non-residential uses only. No applicable FAR maximum for residential uses.

§ 17.38.080 Specific plan districts (SP#).

A. Purpose. The purpose of the specific plan zoning district is to designate unique planning areas within the city for which the city council has adopted or requires adoption of a separate planning document (a specific plan) consistent with the general plan and state law. The contents, requirements, and adoption and amendment procedures for specific plans are listed in Section [17.22.030](#), Specific plan.

B. Designation. Specific plan zoning districts shall be delineated on the zoning map in a manner similar to that of any other zoning district except that each specific plan-zoned area shall also bear a name, number, symbol, or other delineation, as determined by the zoning administrator, which distinguishes it from other specific plan zoning districts, base zoning districts, or overlay zoning districts. The assignment of the specific plan zoning district serves to provide a reference to the corresponding specific plan zoning document adopted by ordinance of the city council. Adopted specific plans are as follows:

~~1. 23rd Street Specific Plan (SP1).~~

12. San Pablo Avenue Specific Plan (SP2)

C. Allowed Uses. Allowed uses within the specific plan area are those listed uses in the adopted specific plan document as permitted, conditionally permitted, or not permitted.

D. Development Standards. Development standards within the specific plan area are those standards listed in the adopted specific plan.

Section 3. The City Council adopts the new Zoning Map for the City, which is attached and incorporated by reference herein as Exhibit 1, showing that the following parcels are now zoned as listed in the table below:

Address	APN	Previous Zoning	New Zoning

Section 5. Severability. Where any section, subsection, sentence, clause, or phrase of these regulations is, for any reason, declared by the courts to be unconstitutional or invalid, such decisions shall not affect the validity of the regulations as a whole, or any part thereof, other than the part so declared.

Section 6. Effective Date and Publication. This Ordinance shall become effective thirty (30) days following its adoption. The City Clerk's Office shall publish and post the Ordinance in accordance with California Government Code section 36933.
