SOME THOUGHTS YOU BELIEVE MAY CONTRIBUTE TO IMPROVE BOARD/COMMISSION:

I have extensive experience as both staff and member of numerous committees and boards that provides me an understanding of how to reach consensus with diverse interests. As a local merchant I would bring a business perspective to the Safety Commission. I would strive to increase awareness for both residents and merchants through the greater use of technology such as the Nixle alert system.

IF APPOINTED, WHAT DO YOU BELIEVE YOUR RESPONSIBILITIES OR DUTIES WOULD BE?

My role would be to provide feedback to the Police Department and City to enhance existing or new safety measures to improve the quality of life for residents and guests to the City of San Pablo.
