9. INTELLECTUAL PROPERTY INFRINGEMENT

SoundThinking will, at its expense, defend and indemnify Customer from and against losses, suits, damages, liability, and expenses (including reasonable attorney fees) arising out of a claim asserted in a lawsuit or action against the Customer by a third party unrelated to the Customer, in which such third party asserts a claim that the Subscription Services and/or Software, when used in accordance with SoundThinking's user Documentation, infringes any United States patent which was issued by the U.S. Patent and Trademark Office, or United States copyright which was registered by the U.S. Copyright Office,

as of the effective date of Customer's agreement to license the applicable SoundThinking Subscription Services and Software (collectively "Action"), provided that Customer provides SoundThinking with reasonably prompt notice of any such Action, or circumstances of which Customer becomes aware that could reasonably be expected to lead to such Action including but not limited to any cease and desist demands or warnings, and further provided that Customer cooperates with SoundThinking and its defense counsel in the investigation and defense of such Action.

SoundThinking shall have the right to choose counsel to defend such suit and/or action, and to control the settlement (including determining the terms and conditions of settlement) and the defense thereof. Customer may participate in the defense of such action at its own expense.

This Section 9 shall not apply and SoundThinking shall have no obligation to defend and indemnify Customer in the event the Customer or a third party modifies, alters, substitutes, or supplements any of the Subscription Services, or Software, or to the extent that the claim of infringement arises from or relates to the integration, bundling, merger, or combination of any of the same with other hardware, software, systems, technologies, or components, functions, capabilities, or applications not licensed by SoundThinking as part of the Subscription Services, nor shall it apply to the extent that the claim of infringement arises from or relates to meeting or conforming to any instruction, design, direction, or specification furnished by the Customer, nor to the extent that the Subscription Services or Software are used for or in connection with any purpose, application, or function other than in accordance with the SoundThinking Documentation accompanying the Subscription Services or Software.

If, in SoundThinking's opinion, any of the Subscription Services, or Software may, or are likely to become, the subject of such a suit or action, does become the subject of a claim asserted against Customer in a lawsuit which SoundThinking is or may be obliged to defend under this section, or is determined to infringe the foregoing patents or copyrights of another in a final, non-appealable judgment subject to SoundThinking's obligations under this section, then SoundThinking may in full and final satisfaction of any and all of its obligations under this section, at its option: (1) procure for Customer the right to continue using the affected Subscription Services or Software, (2) modify or replace such Subscription Services or Software to make it or them non-infringing, or (3) refund to Customer a pro-rata portion of the annual Subscription Services fees paid for the affected Subscription Services for the term in which the Agreement is terminated.

This Section 9 states the entire liability of SoundThinking and is Customer's exclusive remedy for or relating to infringement or claims or allegations of infringement of any patent, copyright, or other intellectual property rights in or to any SoundThinking Subscription Services, SoundThinking Software or any component thereof. This section is in lieu of and replaces any other expressed, implied, or statutory warranty against infringement of any and all intellectual property rights.

10. INDEMNIFICATION AND LIMITATION OF LIABILITY; INSURANCE

SoundThinking shall, at its expense, indemnify, defend, save, and hold Customer harmless from any and all claims, lawsuits, or liability, including attorneys' fees and costs, arising out of, in connection with, any loss, damage, or injury to persons or property to the extent of the gross negligence, or wrongful act, error, or omission of SoundThinking, its employees, agents, or subcontractors as a result of SoundThinking's or any of its employees, agents, or subcontractor's performance pursuant to this Agreement. SoundThinking shall not be required to indemnify Customer for any claims or actions caused to the extent of the negligence

or wrongful act of Customer, its employees, agents, or contractors. Notwithstanding the foregoing, if a claim, lawsuit, or liability results from or is contributed to by the actions or omissions of Customer, or its employees, agents, or contractors, SoundThinking's obligations under this provision shall be reduced to the extent of such actions or omissions based upon the principle of comparative fault.

In no event shall either Party, or any of its affiliates or any of its/their respective directors, officers, members, attorneys, employees, or agents, be liable to the other Party under any legal or equitable theory or claim, for lost profits, lost revenues, lost business opportunities, exemplary, punitive, special, indirect, incidental, or consequential damages, each of which is hereby excluded by agreement of the Parties, regardless of whether such damages were foreseeable or whether any Party or any entity has been advised of the possibility of such damages.

Except for its Intellectual Property infringement indemnity obligations under Section 9 of this Agreement, SoundThinking's cumulative liability for all losses, claims, suits, controversies, breaches or damages for any cause whatsoever arising out of or related to this Agreement, whether in contract, tort, by way of indemnification or under statute, and regardless of the form of action or legal theory shall not exceed (i) two (2) times the amount of the annual subscription fee(s) for the twelve (12) month period in which the claim arises, or (ii) the amount of insurance maintained by SoundThinking available to cover the loss, whichever is greater. The foregoing limitations shall apply without regard to any failure of essential purpose of any remedies given herein.

7. Subcontractors. SoundThinking shall require any subcontractors performing services under this Agreement to furnish separate certificates and endorsements to the City. All coverages for subcontractors shall be subject to all of the requirements stated in this Agreement, including but not limited to naming additional insureds.
8. Higher limits. If SoundThinking maintains higher limits than the minimums shown above, the City requires and shall be entitled to coverage for the higher limits.

11. DEFAULT AND TERMINATION; REMEDIES

Either Party may terminate this Agreement in the event of a material breach of the terms and conditions of this Agreement upon thirty (30) days' prior written notice to the other Party; provided that the Party alleged to be in breach has not cured such breach within said thirty (30) day period.

In addition to the termination provisions in Section 5.C for failure to pay annual Subscription Services fees, upon the occurrence of a material breach of Customer's obligations under this Agreement not susceptible to cure as provided in the preceding paragraph, SoundThinking may at its option, effective immediately upon written notice to Customer, either: (i) terminate SoundThinking's future obligations under this

Agreement, terminate Customer's License to use the Subscription Services and Software, or (ii) accelerate and declare immediately due and payable all remaining charges for the remainder of the Agreement and proceed in any lawful manner to obtain satisfaction of the same.

12. TAXES

Unless otherwise included as a line item in Exhibit A, the fees due under this Agreement exclude any sales, use, value added or similar taxes that may be imposed in connection with this Agreement. Customer agrees that it shall be solely responsible for payment, or reimbursement to SoundThinking as applicable, of all sales, use, value-added or similar taxes imposed upon this Agreement by any level of government, whether due at the time of sale or asserted later as a result of audit of the financial records of either Customer or SoundThinking. If exempt from such taxes, Customer shall provide to SoundThinking written evidence of such exemption. Customer shall also pay any personal property taxes levied by government agencies based upon Customer's use or possession of the items acquired or licensed in this Agreement.

13. NOTICES

Any notice or other communication required or permitted to be given under this Agreement shall be in writing delivered to the address set forth in this Agreement by certified mail return receipt; overnight delivery services; delivered in person; or via email with read receipt. A Party's address may be changed by written notice to the other Party.

14. FORCE MAJEURE

In no event shall SoundThinking be liable for any delay or default in its performance of any obligation under this Agreement caused directly or indirectly by an act or omission of Customer, or persons acting under its direction and/or control, fire, flood, act of God, an act or omission of civil or military authority of a state or nation, strike, lockout, or other labor disputes, inability to secure, delay in securing, or shortage of labor, materials, supplies, transportation, or energy, failures, outages or denial of services of wireless, power, telecommunications, or computer networks, acts of terrorism, sabotage, vandalism, hacking, natural disaster or emergency, war, riot, embargo, or civil disturbance, breakdown or destruction of plant or equipment, or arising from any cause whatsoever beyond SoundThinking's reasonable control. At SoundThinking's option and following notice to Customer, any of the foregoing causes shall be deemed to suspend such obligations of SoundThinking so long as any such cause shall prevent or delay performance, and SoundThinking agrees to make, and Customer agrees to accept performance of such obligations whenever such cause has been remedied.

15. ENTIRE AGREEMENT

This Agreement and its Exhibits and Addenda represent the entire agreement and understanding of the Parties and a final expression of their agreements with respect to the subject matter of this Agreement and supersedes all prior written or oral agreements, representations, understandings, or negotiations with respect to the matters covered by this Agreement.

16. GOVERNING LAW

The validity, performance, and construction of this Agreement shall be governed by the laws of the State of California, without giving effect to the conflict of law principles thereof. The United Nations Convention on Contracts for the International Sale of Goods is expressly disclaimed and shall not apply.

17. NO WAIVER

No term or provision of this Agreement shall be deemed waived, and no breach excused unless such waiver or consent is in writing and signed by both Parties. Any consent by either Party to, or waiver of, a breach by the other, whether expressed or implied, shall not constitute a consent to, waiver of, or excuse for any other, different, prior, or subsequent breach.

The failure of either Party to enforce at any time any of the provisions of this Agreement shall not constitute a present or future waiver of any such provisions or the right of either Party to enforce each and every provision.

18. SEVERABILITY

If any term, clause, sentence, paragraph, article, subsection, section, provision, condition, or covenant of this Agreement is held to be invalid or unenforceable, for any reason, it shall not affect, impair, invalidate or nullify the remainder of this Agreement, but the effect thereof shall be confined to the term, clause, sentence, paragraph, article, subsection, section, provision, condition or covenant of this Agreement so adjudged to be invalid or unenforceable.

19. DISPUTE RESOLUTION

If the Parties disagree as to any matter arising under this Agreement or the relationship and dealings of the Parties hereto, then at the request of either Party, SoundThinking and Customer shall promptly consult with one another and make diligent, good faith efforts to resolve the disagreement by negotiation prior to either Party taking legal action. If such negotiations do not resolve the dispute within sixty (60) days of the initial request, either Party may take appropriate legal action.

20. ASSIGNMENT

This Agreement may not be assigned or transferred by either Party, nor any of the rights granted herein, in whole or in part, by operation of law or otherwise, without the other Party's express prior written consent, which shall not be unreasonably withheld. Provided, however, that SoundThinking may assign or transfer this Agreement and/or SoundThinking's rights and obligations hereunder, in whole or in part, in the event of a merger or acquisition of all or substantially all of SoundThinking's assets. No assignee for the benefit of Customer's creditors, custodian, receiver, trustee in bankruptcy, debtor in possession, sheriff, or any

other officer of a court, or other person charged with taking custody of Customer's assets or business, shall have any right to continue or to assume or to assign these without SoundThinking's express consent.

21. COMPLIANCE WITH LAWS

During the term of this Agreement SoundThinking will comply with all applicable local, state, and federal laws, statutes and regulations.

22. EQUAL EMPLOYMENT OPPORTUNITY

SoundThinking is committed to equal-employment principles, and the provisions outlined in the Equal Opportunity Clauses of Executive Order 11246, (41 CFR 60- 1.4), section 503 of the Rehabilitation Act of 1973, (41 CFR 60-741.5(a)), section 402 of the Vietnam Era Veterans Readjustment Act of 1974, (41 CFR 60-250.5(a)), and, the Jobs for Veterans Act of 2003, (41 CFR 60-300.5(a)) as well as any other regulations pertaining to these orders. SoundThinking's decisions and criteria governing its hiring and employment practices are made in a non-discriminatory manner, without regard to age, race, color, national origin, citizenship status, gender (including pregnancy, childbirth or medical condition related to pregnancy or childbirth), gender identity or expression, sex, religion, creed, physical or mental disability, medical condition, legally protected genetic information, marital status, veteran status, military status, sexual orientation, or any other factor determined to be an unlawful basis for such decisions by federal, state, or local statutes.

23. GENERAL PROVISIONS

- A. This Agreement and its Addenda shall be binding on and inure to the benefit of the Parties and any permitted successors and assigns; however, nothing in this paragraph shall be construed as a consent to any assignment by either Party except as provided in Section 20 of this Agreement.
- B. This Agreement shall not become a binding contract until signed by an authorized representative of each Party.
- C. This Agreement and its Addenda may be executed in any number of identical counterparts, each of which shall be deemed a duplicate original.
- D. The provisions of this Agreement and Addenda shall not be construed in favor of or against either Party because that Party or its legal counsel drafted this Agreement, but shall be construed as if all Parties prepared this Agreement.
- E. An electronic signature copy of this Agreement and its Exhibits, Addenda, notices and documents prepared under this Agreement shall be considered an original. The Parties agree that any document in electronic format or any document reproduced from an electronic format shall not be denied legal effect, validity, or enforceability, and shall meet any requirement to provide an original or hard copy.
- F. This Agreement is made for the benefit of the Parties, and is not intended to benefit any third party or be enforceable by any third party. The rights of the Parties to terminate, rescind, or agree to any amendment, waiver, variation or settlement under or relating to this Agreement are not subject to the consent of any third party.

EACH PARTY'S ACCEPTANCE HEREOF IS EXPRESSLY LIMITED TO THE TERMS OF THIS AGREEMENT, INCLUDING ITS EXHIBITS AND ADDENDA, AND NO DIFFERENT OR ADDITIONAL TERMS CONTAINED IN ANY CONFIRMATION, PURCHASE ORDER, AMENDMENT OR OTHER BUSINESS FORM, WRITING OR MATERIAL SHALL HAVE ANY FORCE OR EFFECT UNLESS EXPRESSLY AGREED TO IN WRITING BY THE PARTIES.

**ADDENDUM ONE – SHOTSPOTTER SUPPLEMENTAL TERMS
WITH ATTACHMENT A – SERVICE LEVEL AGREEMENT**

ADDENDUM ONE - SHOTSPOTTER® SUPPLEMENTAL TERMS

This Addendum One (“Addendum One”) to the SoundThinking™, Inc. Master Services Agreement (the “Agreement”) by and between SoundThinking, Inc. (“SoundThinking”) and the City of San Pablo, CA (“Customer”) is effective as of the Effective Date set forth in the Agreement.

The following provisions are expressly added to and made a part of the Agreement for the purposes of further defining the ShotSpotter® Subscription Services and terms of use. All terms and conditions of the Agreement shall remain in full force and effect. In the event of a conflict between this Addendum One and the Agreement, this Addendum One shall control:

In consideration of the Parties’ mutual covenants and promises set forth in this Addendum One, the Parties Agree as follows:

Section numbers correspond to the section numbers in the Agreement.

Section 2 DEFINITIONS

ShotSpotter

Insight means the internet portal to which Customer will have access to Reviewed Alerts with respect to the ShotSpotter® Gunshot Detection, Location, and Forensics System.

Coverage Area means the area in square miles covered by the ShotSpotter Services as set forth in Exhibit A and any increase to the Coverage Area as agreed to in writing between the Parties.

Reviewed Alerts means the data reviewed by SoundThinking’s incident review staff related to gunfire incidents detected by the ShotSpotter Gunshot Detection, Location, and Forensic Analysis Service.

Section 3 SUBSCRIPTION SERVICES

ShotSpotter

- B. SoundThinking has previously installed the ShotSpotter System for the Customer’s existing Coverage Area specified in Exhibit A attached to the Agreement. SoundThinking will host the Subscription Services and may update the functionality and Software of the Subscription Services from time to time at its sole discretion and in accordance with the Agreement and this Addendum One.
- C. SoundThinking will be responsible for determining the location(s) for installation of acoustic sensor(s) (the “Sensors”) that detect gunshot-like sounds, and obtaining permission from the premises’ owner/property manager/lessee. SoundThinking owns, and is responsible for maintenance of the Sensors.

- D. The ShotSpotter System acoustic Sensor may use wired, wireless, or cellular wireless communications which necessitates the existence of a real-time data communications channel from each Sensor to the SoundThinking hosted servers via a commercial carrier. The unavailability or deterioration of the quality of such wired, wireless, or wireless cellular communications may impact the ability of SoundThinking to provide the Subscription Services. In such circumstances SoundThinking will use commercially reasonable efforts to obtain alternate wired or wireless cellular communications or adjust the Coverage Area as necessary. In the event SoundThinking is unable to do so, SoundThinking will terminate the ShotSpotter Subscription Services and refund a pro-rata portion of the annual Subscription Services fee to Customer.
- E. SoundThinking will provide Customer with user documentation, online help, written or recorded video training material, and other applicable documentation (as available).
- F. SoundThinking will provide reasonable efforts to respond via email to requests for support relating to incident classification as defined in the Support Level Matrix provided at Attachment A.
- G. During the term of the Agreement, SoundThinking will provide real-time gunfire analysis and alert services. After an explosive (or impulsive) sound triggers enough Sensors that an incident is detected and located, audio from the incident is sent to SoundThinking's Incident Review Center (IRC) via secure, high-speed network connections for real-time qualification. Within seconds, a SoundThinking professional reviewer analyzes audio data and recordings to confirm gunfire or explosions. The qualified alert is then sent directly to the Customer's dispatch center, PSAP, mobile/patrol officers, and any other relevant safety or security personnel, as determined by the Customer. The SoundThinking IRC will review gunfire incidents as further defined in Attachment A to this Addendum One.
- H. The ShotSpotter Subscription Services shall consist of (i) providing access to the Customer of Reviewed Alerts delivered via the Insight password-protected internet portal and user interface supplied by SoundThinking; (ii) providing Customer access to historical Reviewed Alerts and incident information via the ShotSpotter Software; and (iii) other services as specified in the Agreement and its Exhibits or this Addendum One.
- I. SoundThinking will use commercially reasonable efforts to respond to support requests as set forth in the Support Level Matrix provided at Attachment A to this Addendum One. These requests may be made to SoundThinking through one of the following methods: 1) email to support@soundthinking.com; 2) Live Chat through the ShotSpotter Subscription Services applications; 3) A phone call to SoundThinking's Customer Support organization at 888.274.6877, option 4. These are the only methods SoundThinking will receive and respond to support requests.

Tier 1 (as defined in the Support Matrix included at Attachment A). A SoundThinking Customer Support specialist will be responsible for receiving Customer reports of missed incidents, or errors in the Subscription Services, and, to the extent practicable over email or telephone, making commercially reasonable efforts to assist the Customer in resolving the Customer's reported problems. In the event the problem cannot be resolved within 24

hours, requiring further research and troubleshooting, SoundThinking will use commercially reasonable efforts to resolve the issue within seventy-two (72) hours of receipt of the report. In the event that the ShotSpotter Subscription Service is fully nonfunctional, and it is not due to power outage or other reasons that are outside of SoundThinking's control, SoundThinking will work continuously to restore functionality of the Subscription Services in accordance with the standard ShotSpotter user documentation provided with the Subscription Services as soon as reasonably possible, and no later than seventy-two (72) hours of receipt of the report.

J. FORENSIC REPORTS.

- i. Investigative Lead Summary ("ILS"). SoundThinking provides an on-demand report available through the ShotSpotter Respond Application. The Investigative Lead Summary (ILS) provides useful details about the approximate location, timing, and sequence of each shot fired during an incident. The ILS is very valuable on scene, helping law enforcement find shell casings, confirm witness accounts, and identify suspects. ILS reports are available immediately after an incident occurs via the mobile, web, or desktop ShotSpotter Respond application (machine-generated). The ILS is not a court-admissible document.
- ii. Detailed Forensic Report ("DFR"). If requested by Customer, SoundThinking will provide a DFR for any ShotSpotter-detected incidents, including Reviewed Alerts. The DFR is intended to be a court-admissible document used by attorneys as part of a court case for the exact, verified timing, sequence and location of each shot fired. Secondly, the DFR is available for use by law enforcement to obtain a search warrant or to investigate an Officer Involved Shooting.

DFRs must be requested in writing and addressed to the SoundThinking Customer Support Department. Requests may be submitted via the Forensics Services page under the Law Enforcement tab on SoundThinking's website (www.soundthinking.com). SoundThinking will use commercially reasonable efforts to provide a DFR within ten (10) business days of receipt of the request.

K. EXPERT WITNESS SERVICES.

SoundThinking offers reasonable expert witness services, including Reviewed Alerts, for an hourly fee of US\$350.00 per hour, as well as reimbursement of all travel and per diem costs. If requested to provide such services, SoundThinking will invoice the Customer for the number of hours expended to prepare for and provide expert witness testimony, and actual travel expenses, upon completion of the services. Customer understands that SoundThinking undertakes to provide individuals whose qualifications are sufficient for such services, but does not warrant that any person or his or her opinion will be accepted by every court. SoundThinking requires at least fourteen (14) days prior notice of such a requirement in writing from the Customer. Customer must include dates, times, specific locations, and a point of contact for SoundThinking personnel. Due to the nature of legal proceedings, SoundThinking cannot guarantee that its services described in this section shall produce the outcome, legal or

otherwise, which Customer desires. Payment for expert witness services described shall be due and payable when services are rendered regardless of the outcome of the proceedings.

Section 4 INITIAL TERM AND RENEWAL

ShotSpotter

- A. Commencement of ShotSpotter Subscription Services. The initial term of the ShotSpotter Subscription Services shall commence on July 1, 2024 and end June 30, 2027 as further defined in Exhibit A.
- B. Failure to renew ShotSpotter Subscription Services. If Customer fails to renew prior to the expiration of the then current subscription term, the Subscription Services will terminate and the Customer's access to the Subscription Services will be disabled. At its discretion, SoundThinking may remove the ShotSpotter System and any components from the Coverage Area at that time. If SoundThinking does not remove the ShotSpotter System from the Coverage Area, Customer may reinstate the ShotSpotter Subscription Services at a later date by renewing this Agreement and payment of the applicable reactivation and ShotSpotter Subscription Services renewal fees; however, Customer will not have access to any Reviewed Alerts that they would have had access to during the lapsed period.

Section 5 LICENSE AND OWNERSHIP

ShotSpotter Data

- A. Rights in Data.

SoundThinking shall own and have the unrestricted right to use the ShotSpotter Data, as that term is defined in the Agreement, for internal purposes such as research or product development. SoundThinking may provide, license, or sell the ShotSpotter Data on an aggregated basis to third parties (excluding press or media) to be used for research or analytical purposes, or for law enforcement and/or security purposes.

SoundThinking will not release or disseminate to any person or entity ShotSpotter Data related to or consisting of specific forensic or law enforcement sensitive incident information pertaining to any active inquiry, investigation, or prosecution, unless in response to a valid order or subpoena issued by a court or other governmental body, or as otherwise required by law. SoundThinking will not release, sell, license, or otherwise distribute the gunfire alert ShotSpotter Data to the press or media without the prior express written consent of an authorized representative of the Customer.

Customer shall have the unrestricted right to download, make copies of, distribute, and use the ShotSpotter Data within its own organization, exclusively for its own internal purposes, and for purposes of detecting and locating gunfire, routine archival recordkeeping, evidence preservation, and investigative, or evidentiary, and prosecutorial purposes, and for community engagement and community services initiatives. Customer shall not provide

to, license the use of, or sell the ShotSpotter Data to any third parties, which restriction will not pertain to (i) the collaboration with other law enforcement agencies for the purposes of investigating and prosecuting crimes detected by the ShotSpotter Subscription Service; or (ii) government or non-governmental entities focused on the support of victims of gun crime in the local community; or (iii) entities focused on local community outreach and/or violence intervention.

Section 6 CONFIDENTIALITY AND PROPRIETARY RIGHTS

SoundThinking Privacy Policy

A. SoundThinking Privacy Policy.

With respect to the ShotSpotter Subscription Services, SoundThinking has structured its technology, processes and policies in such a way as to minimize the risk of privacy infringements from audio surveillance while still delivering important public safety benefits to its customers. These efforts to maintain privacy include the following:

- 1) SoundThinking will not provide extended audio to customers beyond the audio snippet (1 second of ambient noise prior to a gunshot, the gunshot audio itself, and 1 second after the incident). SoundThinking will vigorously resist any subpoena or court order for extended audio that goes beyond an audio snippet.
- 2) SoundThinking will not provide a list or database of the precise location of Sensors to police or the public if requested and will challenge any subpoenas for this location data.

Section 7 LIMITED WARRANTIES

ShotSpotter Subscription Services and Software Additional Limited Warranties and Disclaimers

- A. The ShotSpotter Subscription Services are not designed, sold, or intended to be used to detect, intercept, transmit, or record oral or other communications of any kind. SoundThinking cannot control how the ShotSpotter Subscription Services are used, and, accordingly, SoundThinking does not warrant or represent, expressly or implicitly, that use of the ShotSpotter Subscription Services will comply or conform to the requirements of federal, state, or local statutes, ordinances, and laws, or that use of the ShotSpotter Subscription Services will not violate the privacy rights of third parties. Customer shall be solely responsible for using the ShotSpotter Subscription Services in full compliance with applicable law and the rights of third persons.
- B. SoundThinking does not warrant or represent, expressly or implicitly, that the ShotSpotter System or its use will: result in the prediction or prevention of crime, apprehension or conviction of any perpetrator of any crime, or detection of any criminal; prevent any loss,

death, injury, or damage to property due to any reason including the discharge of a firearm or other weapon; or in all cases result in a Reviewed Alert for all firearm discharges within the designated coverage area; or that the ShotSpotter-supplied network will remain in operation at all times or under all conditions.

- C. SoundThinking expressly disclaims, and does not undertake or assume any duty, obligation, or responsibility for any decisions, actions, reactions, responses, failure to act, or inaction, by Customer as a result of or in reliance on, in whole or in part, the ShotSpotter Subscription Services, or Reviewed Alerts provided by SoundThinking, or for any consequences or outcomes, including any death, injury, or loss or damage to any property, arising from or caused by any such decisions, actions, reactions, responses, failure to act, or inaction. It shall be the sole and exclusive responsibility of the Customer to determine appropriate decisions, actions, reactions, or responses, including whether or not to dispatch emergency responder resources. The Customer hereby expressly assumes all risks and liability associated with any and all action, reaction, response, and dispatch decisions, and for all consequences and outcomes arising from or caused by any decisions made or not made by the Customer in reliance, in whole or in part, on the ShotSpotter Subscription Services provided by SoundThinking, including any death, injury, or loss or damage to any property.

EXCEPT AS EXPRESSLY SET FORTH IN SECTION 7 OF THE AGREEMENT AND THIS ADDENDUM ONE, SOUNDTHINKING MAKES AND CUSTOMER RECEIVES NO OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING WITHOUT LIMITATION ANY WARRANTIES OF NON-INFRINGEMENT, QUALITY, SUITABILITY, MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.

Section 11 DEFAULT AND TERMINATION; REMEDIES

Termination of Access to ShotSpotter Data

ATTACHMENT A – SERVICE LEVEL AGREEMENT

ShotSpotter® Gunshot Detection, Location System**Reviewed Alert Service Levels****Summary**

Under the terms and conditions of the SoundThinking Master Services Agreement and this Addendum One between SoundThinking, Inc. (“SoundThinking”) and Customer, SoundThinking commits to meet or exceed the following Service Level Agreement (SLA) standards as it provides its ShotSpotter Gunshot Location Services¹:

Service	SLA and Measurement
Gunshot Detection & Location	90% of unsuppressed, outdoor gunfire incidents, using standard, commercially available rounds greater than .25 caliber, inside the Coverage Area will be detected and located within 25 meters of the actual gunshot location.
Reviewed Alerts	90% of gunshot incidents will be reviewed and published in less than 60 seconds.
Service Availability	The ShotSpotter Gunshot Location System service will be available to the Customer 99.9% of the time with online access to ShotSpotter data, excluding scheduled maintenance windows.

Gunshot Detection & Location Performance

The ShotSpotter System will detect and accurately locate to within 25 meters of the actual gunshot location 90% of unsuppressed, outdoor gunshots fired inside the contracted coverage area using standard, commercially available rounds greater than .25 caliber.

Reviewed Alerts Service

SoundThinking’s real-time Incident Review Center (IRC) will review at least 90% of all gunfire incidents within 60 seconds. This human review is intended to confirm or change the machine classification of the incident type, and, depending on the reviewer’s confidence level that the incident is or may be gunfire, will result in an alert (“Reviewed Alert”) sent to the Customer’s dispatch center, patrol car mobile data terminals (MDT), and officer smartphones (via the ShotSpotter App), based on the following criteria:

Incident Type	Action
High confidence incident is gunfire	Reviewed Gunfire Alert, (Single Gunshot “SG” or Multiple Gunshots “MG”) sent to Customer’s dispatch center, patrol car mobile data terminals (MDT), and officer smartphones (via the ShotSpotter Respond App)
Uncertain if incident is gunfire or not	Reviewed Probable Gunfire (“PG”) Alert sent to Customer’s dispatch center, patrol car MDTs, and officer smartphones
Low confidence incident is gunfire	No alert will be sent; incident available for Customer review in the incident history available through Insight

¹ See attached “ShotSpotter – Definition of Key Terms” for a complete definition of terms associated with this SLA and further details in the expanded definitions listed below the Summary. The basis for this SLA and performance measurement will be total gunshot incidents as defined by the Definition of Key Terms.

Reviewed Alerts are sent to the Customer's dispatch center, patrol car MDTs, and officer smartphones. Information in a Reviewed Alert will include the following:

- "Dot on the map" with latitude and longitude indicating the location of the incident.
- Parcel address closest to location of the incident.
- When available, additional situational awareness data points may be included, such as:
 - Qualitative data on the type/severity of incident: Fully automatic, High Capacity
 - Other comments (if any)

The ShotSpotter Respond App, and Insight provide the Customer with full and immediate access to incident history including information SoundThinking uses in its internal review process. This information includes, among other things, the initial incident classification and any reclassifications of an incident, incident audio wave forms, and incident audio files. This data access is available as long as the Customer is under active subscription.

Service Availability

The ShotSpotter System² will be able to detect gunfire and available to users with online access to ShotSpotter data 99.9% of the time, on a 24x7 by 365 day per year basis, excluding: a) scheduled maintenance periods which will be announced to Customer in advance; b) select holidays; and c) third party network outages beyond SoundThinking's control.

Customer SLA Credits

Each Service Level measurement shall be determined quarterly, the results of which will be reviewed during the periodic account review meetings with Customer. For each calendar quarter that SoundThinking does not meet at least two of the three above standards, a fee reduction representing one free week of service (for the affected Coverage Area) for each missed quarter shall be included during a future Customer renewal.

Service Level Exclusions and Modifications

SoundThinking takes commercially reasonable efforts to maintain Service Levels at all times. However, Service Level performance during New Year's Eve and Independence Day and the 48-hour periods before and after these holidays, are specifically excluded from Service Level standards. During these excluded periods, because of the large amount of fireworks activity, SoundThinking uses fireworks suppression techniques³.

The SoundThinking sensors send incident information to the SoundThinking cloud via third party cellular, wireless or wired networks. SoundThinking is not responsible for outages on the third-party networks.

² ShotSpotter Subscription Service includes all database, applications, and communications services hosted by SoundThinking, Inc. at our data center and specifically exclude Customer's internal network or systems or 3rd party communications networks, e.g. Verizon, AT&T, Sprint/T-Mobile, or Customer's Internet Service Provider.

³ SoundThinking will put the ShotSpotter System into "fireworks suppression mode" during this period in order to reduce the non-gunfire incidents required for human classification. SoundThinking will formally inform the Customer prior to the System being placed in fireworks suppression mode and when the mode is disabled. While in fireworks suppression mode, the incident alerts determined to be fireworks are not sent to the reviewer nor the Customer dispatch center, patrol car MDTs, and officer smartphones; however, these non-gunfire incidents will continue to be stored in the database for use if required at a later time.

Service Failure Notification

Should SoundThinking identify any condition (disruption, degradation or failure of network, cloud, servers, sensors etc.) that impacts SoundThinking's ability to meet the Gunshot Detection & Location standard (above), SoundThinking will proactively notify the Customer with: a) a brief explanation of the condition; b) how the Customer's service is affected; and c) the approximate timeframe for resolution. SoundThinking will also notify the Customer once any such condition is resolved.

Customer Responsibilities

The purpose of the Reviewed Alert service is to provide incident data to the Customer, reviewed, analyzed and classified in the manner described above. However, it is the sole responsibility of the Customer to interpret the data provided, and to determine any appropriate follow-up reaction or response, including whether or not to dispatch emergency responder resources based on a Reviewed Alert. SoundThinking does not assume any obligation, duty or responsibility for reaction, response, or dispatch decisions, which are solely and exclusively the responsibility of Customer, or for the consequences or outcomes of any decisions made or not made by the Customer in reliance, in whole or in part, on any services provided by SoundThinking.

Customer must inform SoundThinking when Verified Incidents of gunfire are missed by the ShotSpotter System in order to properly calculate Performance Rate, as defined below.

Customer is responsible for providing any required workstations, mobile devices and internet access for the Customer's dispatch center, patrol car MDTs, and officer smartphones, or Insight.

Support Level Matrix

Support Level	Tier 1 Support (IRC)	Tier 2 Support (Customer Support)

ShotSpotter – Definition of Key Terms

The ShotSpotter System will provide data for correct detection and accurate location for ninety percent (90%) of detectable (outdoor, unsuppressed) community gunfire which occurs within a coverage area, the “Coverage Area”, provided the measurement is Statistically Significant, as defined below. This performance rate shall be calculated as a percentage as follows:

$$\text{Performance Rate} = \frac{\text{NumberAccuratelyLocated}}{(\text{NumberAccuratelyLocated} + \text{NumberNotDetected} + \text{NumberMislocated})}$$

where the “Performance Rate” is a number expressed as a percentage, “NumberAccuratelyLocated” is the number of “Gunfire Incidents” occurring within the Coverage Area during the specified period for which the ShotSpotter System produced an Accurate Location, NumberMislocated is the number of Verified Incidents (a “Verified Incident” is an incident where Customer has physical or other credible evidence that gunfire took place) for which the ShotSpotter System produced an inaccurate location (i.e., a Mislocated Incident), and NumberNotDetected is the number of Verified Incidents for which the ShotSpotter System failed to report a location at all (i.e., Missed Incidents).

An “Accurate Location” shall mean an incident located by the ShotSpotter System to a latitude/longitude coordinate that lies within a 25-meter radius of the confirmed shooter’s location (25 meters = approximately 82 feet). “Detectable Gunfire” incidents are unsuppressed discharges of ballistic firearms which occur fully outdoors in free space (i.e. not in doorways, vestibules, windows, vehicles, etc.) using standard commercially available rounds of caliber greater than .25.

ShotSpotter Review Period is measured as the period commencing when the Incident Review Center (IRC) receives the alert and the first audio download to the time it is published to the customer.

ShotSpotter System performance is guaranteed after a “Statistically Significant” set of incidents has been detected in accordance with timeframes set forth herein, and commercial system acceptance, if applicable. The ShotSpotter System is designed to detect gunfire which is typically well distributed throughout the Coverage Area; however, performance should not be construed to mean that 90% of gunfire fired at any given location within the Coverage Area will be detected and located within the guaranteed accuracy.

The ShotSpotter System is not a “point protection” system and is therefore not designed to consistently detect gunfire at every single location within the Coverage Area, but rather to Accurately Locate 90% of the Detectable Incidents in aggregate throughout the entire Coverage Area. There may be certain locations within the Coverage Area where obstacles and ambient noise impede and/or overshadow the propagation of acoustic energy such that locating the origin at those positions is inconsistent or impossible. The Performance Rate calculation is thus specifically tied to the Community Gunfire across the entire Coverage Area.

Statistically Significant shall be defined as measurements and calculations which shall be performed as follows: (a) Across an entire Coverage Area; (b) Aggregating over a period of at least 30 days under weather conditions seasonally normal for the area; and (c) Provided that the total number of gunfire incidents being counted is equal to or greater than: (i) thirty (30) incidents for systems of up to three (3) square miles of Coverage Area, or (ii) ten (10) incidents multiplied by the number of square miles of Coverage Area for systems where one or more Coverage Areas are three (3) square miles or larger.
