**CITY OF SAN PABLO
NOTICE OF PUBLIC HEARING
MONDAY, APRIL 20, 2026**

NOTICE IS HEREBY GIVEN that the City Council of the City of San Pablo, State of California, will conduct a Public Hearing in the Council Chambers of the City of San Pablo, 1000 Gateway Avenue, San Pablo, CA 94806, on **Monday, April 20th, 2026 at 6:00 pm**, to consider the following:

PLAN2602-0008: A request for approval of a **City of San Pablo Regulatory Sign Ordinance Amendment** to consider an amendment to Chapter 18.04 of the San Pablo Municipal Code, Section 18.04.050, Prohibited Signs, Subsection A.9, as follows:

9. Digital signs and digital displays, except as authorized for new billboards on city property under Chapter **18.06**; electronic or manual reader board sign with movable text; animated signs or flashing signs other than clocks or temperature or fuel pricing signs that are consistent with state and federal law regulating fuel advertisements; and signs that have moving parts or parts so devised that the sign appears to move or to be animated, and that blink, flash or emit a varying intensity of color or light which could cause glare, momentary blindness or other annoyance, disability or discomfort to persons on surrounding properties or driving by.

This amendment would add an exception to allow digital fuel pricing signs, in addition to those for clocks and temperature signs, as all of these sign types are required to be changeable, and it is no longer practicable to manually alter frequently changing sign components. This ordinance is exempt from the California Environmental Quality Act (CEQA) pursuant to CEQA Guidelines Sections 15301 (Existing Facilities), 15303 (New Construction or Conversion of Small Structures), 15311 (On-Premises Signs), and 15061(b)(3) (the "common sense" exemption). The proposed amendment involves only a minor change to the existing sign ordinance to allow digitization of gas station signage related to gas prices, so it can be seen with certainty that there would be no significant effect on the environment.
