Dear Mr. Rodriguez,

I hope this message finds you well. My name is Lucy Alfaro, and I am the President of the Kiwanis Club of San Pablo for our children. As part of our ongoing commitment to serving the community, we are planning an exciting event on **May 3, 2025**, and we would be honored to have the City of San Pablo as a sponsor for our **Kids Zone**.

In collaboration with Verónica from El Palenque Restaurant, our goal is to create a space that celebrates our diverse community, especially during these challenging times. The Kids Zone will provide children, particularly from Latino and Hispanic families, with a fun and safe environment to forget their worries and enjoy the day. We believe this is a crucial initiative to support the well-being and mental health of our youngest community members, who have faced unique difficulties in recent years.

The event will include games, activities, and entertainment specifically designed for kids, and we are seeking sponsorship from the City of San Pablo to help make this vision a reality. Your support will make a significant impact in bringing joy and hope to the children and families who need it most.

We would love to discuss potential sponsorship opportunities and how we can work together to bring this event to life. Thank you for considering our request. I look forward to the opportunity to collaborate with you and continue strengthening our community.

Sincerely,

**Lucy Alfaro**  
President, Kiwanis Club of San Pablo for our children /
