- F. TENANT PROTECTIONS: (FROM MAY 7, 2024 EDHPM STANDING COMMITTEE REVIEW)

1. Just Cause Eviction Protections (3-G)

- California law AB1482 provides protection from steep rent increases and SB567 puts further requirements on no fault just cause evictions.
- City to explore adopting an ordinance codifying these protections under the San Pablo Municipal Code.

2. Awareness of Fair Housing Programs (3-H)

- Surveys indicate that San Pablo residents are largely unfamiliar with fair housing programs available to them.
- City to explore community education campaigns to raise awareness on state law and resources available.

3. Relocation Fund

- San Pablo Municipal Code 8.05.03 requires Owners to pay relocation benefits to displaced Tenants due to unsafe or hazardous living conditions.
 San Pablo Municipal Code 8.05.080 states that in the event the Owner fails, neglects or refuses to pay the displaced Tenant, the City may, within budget limitations, make payment of such relocation benefits and recover it from the Owner.
- City to explore establishing a Tenant Relocation Fund for this purpose.

5. Temporary Housing Fund

- The City receives calls from residents that have been unhoused through no-fault of their own asking for temporary housing assistance.
- City to explore establishing a Temporary housing Relocation Fund to provide funding/temporary housing for qualified residents.

6. Landlord - Tenant Mediation Services

- The City receives calls for legal services for tenant disputes.
- City to explore working with a non-profit legal services provider to help provide mediation for landlord and tenant conflicts and disputes.
- City to create a Tenant page on the City website to link tenant resources.
