Due to ongoing tariff fluctuations, part pricing is valid for 30 days from the date of quotation.

Once the Installation is complete: We request that you be available at the completion of the installation to review the features and how to use your new low voltage systems.

Final payment if any is due

If you cannot be there to review the systems installed and make final payment, please make payment arrangements in advance.

Permits: The alarm system portion of the above listed quotation (if included) may require a permit from the police department. Most cities are now requiring this additional permit. This is to be obtained by the customer and is not the responsibility of Scheer Security.

Television Warning if included in the above quotation: Televisions mounted above fireplaces are subject to extreme heat. We recommend a mantle to help push the heat out away from the front of the TV. Scheer Security is not responsible and assumes no responsibility for televisions damaged by heat when mounted above a fireplace. Customer agrees that they understand the heat issues that may damage a television mounted above a fireplace, and will not hold Scheer liable if such damage occurs.

Late Charges: All invoices are due upon receipt unless otherwise stated, all invoices over 30 days late will be charged a 18% per annum fee.

If parts of the job are requested but do not require a full workday, the full 8-hour workday will still be billed.

Prices and models used are subject to change based on availability, Unilateral Price Protection Policy, and Manufacturer Advertised Prices until final installation of components.

A compatible network system must be used. Scheer Security will not be held responsible for wired or wireless internet performance if Scheer Security did not design, install, and program the network components. Advertised ISP [Internet Service Provider] and Wi-Fi speeds are listed as "Up To" by the manufacturer and not guaranteed by ISP, network component manufacturers or Scheer Security.

Return of custom AV components will be charged a 25% restocking fee by the manufacturer.

Open/Approved Component returns will be charged a 10% restocking fee by Scheer Security.

Service provided under the duration of the Manufacturer's Warranty is subject to Service charge when a service agreement contract is not accepted by the client.

Acceptance: I hereby authorize Scheer Security Alarm Systems to furnish all labor & material required to complete the work mentioned in the above proposal, for which the undersigned agrees to pay the amount disclosed in said work and according to the terms thereof. I promise to pay Scheer Security Alarm Systems Inc. all costs of collections it incurs if I do not pay for the work under this contract, including actual attorney's fees.

If you would like to pay with a credit card, a 3% convenience fee will be added to the final total.
