Any insurance or self-insurance maintained by the City, its officers, officials, employees, or volunteers shall be excess of the Consultant's insurance and shall not contribute with it.
- Each insurance policy required by this clause shall be endorsed to state that coverage shall not be canceled by either party, except after thirty (30) days prior written notice has been provided to the City.

(iii) An endorsement must state that coverage is primary insurance and that no other insurance affected by the City will be called upon to contribute to a loss under the coverage.

(iv) Any failure of Consultant to comply with reporting provisions of the policy shall not affect coverage provided to City and its officers, employees, agents, and volunteers.

(vi) Notice of cancellation or non-renewal must be received by City at least thirty days prior to such change.

**Deductibles and Self-Insured Retentions.** Consultant shall disclose the self-insured retentions and deductibles before beginning any of the services or work called for by any term of this agreement. During the period covered by this agreement, upon express written authorization of City Manager, Consultant may increase such deductibles or self-insured retentions with respect to City, its officers, employees, agents, and volunteers. The City Manager may condition approval of an increase in deductible or self-insured retention levels upon a requirement that Consultant procure a bond guaranteeing payment of losses and related investigations, claim administration, and defense expenses that is satisfactory in all respects to each of them.

**Notice of Reduction in Coverage.** In the event that any coverage required under this section of the agreement is reduced, limited, or materially affected in any other manner, Consultant shall provide written notice to City at Consultant's earliest possible opportunity and in no case later than five days after Consultant is notified of the change in coverage.

## **7. Waiver of Subrogation.**

## **9. Verification of Coverage**

Consultant shall furnish the City with endorsements effecting coverage required by this clause. The endorsements are to be signed by a person authorized by that Insurer to bind coverage on its behalf. The endorsements are to be on forms provided by the city, unless the insurance company will not use the City's forms. All endorsements are to be received and approved by the City before work

commences. However, failure to do so shall not operate as a waiver of these insurance requirements. As an alternative to the City's forms, the Consultant's insurer may provide complete copies of all required insurance policies, including endorsements effecting the coverage required by the specifications.

## **10. Subcontractors**

Consultant shall require and verify that all subcontractors maintain insurance meeting all the requirements stated herein.

B. **City Remedies.** In addition to any other remedies City may have if Consultant fails to provide or maintain any insurance policies or policy endorsements to the extent and within the time herein required, City may, at its sole option:

- (i) Obtain such insurance and deduct and retain the amount of the premiums for such insurance from any sums due under the agreement;
- (ii) Order Consultant to stop work under this agreement or withhold any payment which becomes due to Consultant hereunder, or both stop work and withhold any payment, until Consultant demonstrates compliance with the requirements hereof;

Exercise of any of the above remedies, however, is an alternative to other remedies City may have and is not the exclusive remedy for Consultant's breach.

(17) **Standard of Care.** It is understood and agreed that Consultant has the professional skills, experience, and knowledge necessary to perform the work agreed to be performed under this agreement, that City relies upon the professional skills of Consultant to do and perform Consultant's work in a skillful and professional manner consistent with the standard of care of the of the industry, and Consultant thus agrees to so perform the work. Acceptance by City of the work performed under this agreement does not operate as a release of said Consultant from such professional responsibility for the work performed. It is further understood and agreed that Consultant is apprised of the scope of the work to be performed under this agreement and Consultant agrees that said work can and shall be performed in a manner consistent with the standards of the profession. This standard of care is not intended and shall not be construed to impose an obligation on the City within the meaning of Government Code Section 815.6.

## **18. Indemnification for Specified Licensed Professionals**

A. To the fullest extent permitted by law, the Consultant shall (1) immediately defend and (2) indemnify the City, and its directors, officers, and employees from and against all liabilities regardless of nature or type that arise out of, pertain to, or relate to the negligence, recklessness, or willful misconduct of the Consultant, or its employees, agents, or subcontractors. Liabilities subject to the duties to defend and indemnify include, without limitation, all claims, losses, damages, penalties, fines, and judgments; associated investigation and administrative expenses; defense costs, including but not limited to reasonable attorneys' fees; court costs; and costs of alternative dispute

resolution. The Consultant's obligation to indemnify applies unless it is finally adjudicated that the liability was caused by the sole active negligence or sole willful misconduct of an indemnified party. If it is finally adjudicated that liability is caused by the comparative active negligence or willful misconduct of an indemnified party, then Consultant's indemnification obligation shall be reduced in proportion to the established comparative liability.

B. The duty to defend is a separate and distinct obligation from Consultant's duty to indemnify. Consultant shall be obligated to defend, in all legal, equitable, administrative, or special proceedings, with counsel approved by the City, the City and its directors, officers, and employees, immediately upon tender to Consultant of the claim in any form or at any stage of an action or proceeding, whether or not liability is established. An allegation or determination that persons other than Consultant are responsible for the claim does not relieve Consultant from its separate and distinct obligation to defend under this section. The obligation to defend extends through final judgment, including exhaustion of any appeals. The defense obligation includes an obligation to provide independent defense counsel if Consultant asserts that liability is caused in whole or in part by the negligence or willful misconduct of the indemnified party. If it is finally adjudicated that liability was caused by the comparative active negligence or willful misconduct of an indemnified party, Consultant may submit a claim to the City for reimbursement of reasonable attorneys' fees and defense costs in proportion to the established comparative liability of the indemnified party.

C. The review, acceptance or approval of the Consultant's work or work product by any indemnified party shall not affect, relieve or reduce the Consultant's indemnification or defense obligations. This Section survives completion of the services or the termination of this contract. The provisions of this Section are not limited by and do not affect the provisions of this contract relating to insurance.

**(19) Licenses.** If a license of any kind, which term is intended to include evidence of registration, is required of Consultant, its employees, agents, or subcontractors by federal or state law, Consultant warrants that such license has been obtained, is valid and in good standing, and Consultant shall keep it in effect at all times during the term of this agreement, and that any applicable bond has been posted in accordance with all applicable laws and regulations.

Consultant shall obtain and maintain a City of San Pablo Business License until all contract services are rendered and accepted by the City.

Consultant represents that it is an Equal Opportunity Employer and shall comply with applicable regulations governing equal opportunity employment. Consultant shall comply with all applicable provisions of the Americans with Disabilities Act of 1990 (ADA) in performing its obligations under this Agreement. Failure to comply with the provisions of the ADA shall be a material breach of, and grounds for the immediate termination of, this Agreement. In performing work and providing services under this Agreement, Consultant shall, at its sole cost and expense, comply with all applicable laws of the United States and the State of California; the Ordinances of the City of San Pablo; and the rules, regulations, orders and directories of their respective

administrative agencies and the officers thereof.

Compensation for the Consultant in the event of cancellation shall be determined by City in accordance with percentage of project completed and agreed to by the Consultant. In the event of cancellation, all notes, sketches, computations, drawings, and specifications or other data, whether complete or not, remain the property of the Consultant. The City may, at its own expense, make copies or extract information from any such notes, sketches, computations, drawings, and specifications, or other data whether complete or not.

B. Termination for Cause. City may terminate this agreement for cause by providing Consultant with one day's written notice of such termination should Consultant violate any of the terms and conditions of this agreement. In City's discretion and at City's option, such termination for cause may alternatively be accomplished, where Consultant fails to perform any of the obligations required of Consultant within the time and in the manner provided for under the terms of this agreement, within seven days after receipt from the notice of such default. Upon City's termination of this agreement for cause, City reserves the right to complete the work by whatever means City deems expedient and the expense of completing such work, as well as any and all damages to the extent caused by the negligent acts, intentional acts or errors or omissions of the Consultant, shall be charged to the Consultant.

C. Immediate Termination. City may terminate this agreement immediately in any case where the Consultant engages in fraudulent or criminal activities while performing its services under this agreement, or is otherwise determined to lack the necessary skills to accomplish the desired objectives.
