

RESOLUTION 2016-215

RESOLUTION OF THE CITY COUNCIL OF THE CITY OF SAN PABLO AUTHORIZING THE CITY MANAGER TO ENTER INTO A CONTRACT WITH SST SHOTSPOTTER FOR A GUNFIRE DETECTION SYSTEM FOR ONE YEAR AT AN ANNUAL ESTIMATED COST OF \$64,772 WITH FOUR ONE-YEAR OPTIONS SUBJECT TO FUNDING AVAILABILITY AUTHORIZED BY THE CITY COUNCIL FOR A TOTAL ESTIMATED COST OF \$323,860

WHEREAS, the San Pablo Police Department contracts with SST ShotSpotter for its gunfire location services, which allows the San Pablo Police Department to obtain geo-location data of gunfire within the City of San Pablo's coverage area. This information is critical for police officers and detectives when investigating shooting-related criminal incidents including homicides and other violent crime;

WHEREAS, staff recommends approval of a maintenance contract for this service at a cost of approximately \$64,772;

WHEREAS, the effective date of this contract is July 1, 2016 and shall continue until June 30, 2017 unless terminated pursuant to the contract; and

WHEREAS, staff recommends that at the City's discretion, the City Manager be authorized to exercise up to four (4) additional one-year options subject to funding availability authorized by the City Council in the applicable fiscal year, but in no event shall the term be longer than five (5) years from the effective date; and

WHEREAS, under Section 3.16.110 of the San Pablo Municipal Code, this contract is exempt from city bidding requirements because the ShotSpotter system and service provided by SST are specialized services which are an integral part of the operation and functioning of the Police Department and provided solely by SST and thus are (1) specialized services combined with equipment and products, in which the City acquires and installs equipment but must also retain specialized services for consulting on use, training, installing, maintaining and servicing the products (Section 3.16.110(B)); and (2) sole source contracts (Section 3.16.110(C)).

NOW THEREFORE, BE IT RESOLVED that the foregoing recitations are true and correct, and are included herein by reference as findings.

BE IT FURTHER RESOLVED that the City authorizes the City Manager to enter into a contract with SST ShotSpotter for services for fiscal year 2016/17 at an annual estimated cost of 64,772; and

BE IT FURTHER RESOLVED that the City Manager is authorized to execute up to four additional one-year terms subject to funding availability authorized by the City Council in the applicable fiscal year but in no event shall the term be longer than five (5) years from the effective date for a total estimated cost of \$323,860.
