RE: Contract ID: 1223997: 1411 RUMRILL BLVD

Dear RONALYN NONATO ,

Enclosed are gas and/or electric agreements for your project located at:

1411 RUMRILL BLVD, SAN PABLO, 94806

This letter summarizes the agreements for this project.

	Non-Refundable Payment	Refundable Option*	50% Discount Option*
Temporary Service (longer than a year)	\$3,053.74	\$0.00	\$0.00
Less Credit (Engineering Advance, etc.)	\$0.00	\$0.00	\$0.00
TOTAL **	\$3,053.74	\$0.00	\$0.00
TOTAL PAYMENT DUE	\$3,053.74	OR	\$3,053.74

* Only applies to Rule 15 Refundable Amounts. Amount shown is less credit for associated Applicant work.

** The Income Tax Component of Contribution (ITCC) is included in the above charges when applicable.

*** A portion of this amount may be subject to refund if the facilities are reclassified to permanent service. Please review the second page of the Temporary Service contract.

Changes to the agreement, either to any of the terms or to the amount owing, are not permitted, and any change or interlineations voids the agreement. The payment of any amount less than the full amount shown will be deposited by PG&E, but PG&E will not begin any work on this contract until the amount is paid in full. The contract shall be deemed effective the date a fully executed copy is received by PG&E. Please allow 30 days from PG&E's receipt of the Agreement for construction to commence.

If the agreement is not returned to PG&E within 90 days of the date of this letter, the proposed agreement is canceled and PG&E may need to re-estimate the job.

PG&E is committed to providing timely and efficient service and we look forward to continuing to work with you on this and future projects.

Should you have any questions regarding these contracts, please contact your project manager Deanna Williams at 510-231-2837 or DXWO@pge.com.

To complete your contract ONLINE

- Follow the instructions provided with your electronic contract
- Submit payment at pge.com/contractpayments

Sincerely,

Mary Ruiz
Service Planning Supervisor

To Pacific Gas and Electric Company:

The undersigned Applicant hereby requests you to deliver ☒ electric energy and/or ☐ natural gas to and for the equipment hereinafter described, at the location shown on Exhibit A, in accordance with the applicable rates and rules of PG&E. In consideration of PG&E's acceptance of this application and the installation of facilities to supply temporary electric and/or natural gas service, Applicant hereby agrees to the following:

- PG&E has made available for inspection its applicable rates and rules. Applicant agrees to comply therewith, and with any changes or modifications thereof which may be authorized from time to time by the Public Utilities Commission of the State of California.
- Applicant's attention has been directed to the rate schedules applicable to the service herein described, and Applicant has elected to take and pay for service under Schedule A1 for a maximum period of 18 months.
As specified in this schedule, Applicant elects the following optional provisions:
- Applicant agrees to pay, in advance to PG&E, prior to the installation thereof, the estimated cost installed plus the estimated cost of removal, less the estimated salvage of the facilities installed to provide the service herein applied for, which cost is agreed to be the sum of Three Thousand Fifty-Three Dollars And Seventy-Three Cents (\$3,053.74) .
- The amount of refund upon reclassification of Applicant's facilities from temporary to permanent will be made on the basis of the extension and/or service rule in effect at the time temporary service is reclassified to permanent. No interest shall be paid on any amount advanced.
- Applicant hereby grants to PG&E a right-of-way for any electric and/or natural gas lines which it may be necessary to build in, on, under or over Applicant's premise for the purpose of making delivery hereunder. Where Applicant requests facilities which are in addition to, or in substitution for, the standard facilities which PG&E normally would install, the extra cost thereof shall be paid by Applicant under the provisions of PG&E's Gas or Electric Rule 2.
- In the event Applicant, prior to reclassification, materially increases or decreases his electric service and/or natural gas requirements from those installed hereunder and a change is made in PG&E's facilities, settlement shall be made for the installation and removal cost of the facilities removed. A new temporary service agreement shall be entered into providing for the modified service required by Applicant.
- This contract shall at all times be subject to such changes or modifications by the Public Utilities Commission of the State of California as said Commission may, from time to time, direct in the exercise of its jurisdiction.

Electric Equipment to be Served

	<u>PHASE</u>	<u>kVA</u>	<u>kW</u>	<u>HP</u>
