DENIAL OF ASSISTANCE

I'm writing in regards to our denial of assistance for the year of 2017 Community Grant. I was late in turning application due to family reason. My wife and I have separate and alot has been on my mind. However the children of San Pablo shouldn't have to be held accountable. For my incompetence, I feel trouble for letting kid's down. The programs of (S. P. B. A. and S. P. C. Y. A.) are at a cross road. We badly need funding to go on and do tremendous things in our community. I come to you for help please find it in your hearts to help me help these deserving youth. I thank you for hearing me God bless.

Truly Yours
S. P. C. Y. A.
