Mr. Douglas Bosco, Chairman  
California State Coastal Conservancy  
1515 Clay Street, 10th Floor  
Oakland, CA 94612

Dear Mr. Bosco:

I want to express my support for the City of San Pablo's Wildcat Creek Restoration and Greenway Trail.

The Wildcat Creek Restoration and Greenway Trail Project will restore over 2,000 linear feet of creek channel to correct unstable creek banks, improve degraded habitat, reduce local flooding and provide a safe open space/bike path for San Pablo residents. This project aims to connect local citizens to the natural environment through an innovative pilot program for long term monitoring of the site.

In addition to the numerous conservation benefits, this project will also enhance access to nature for San Pablo residents, by way of safe bicycle lanes and enhanced pedestrian paths.

In closing, the Wildcat Creek Restoration and Greenway Trail Project is valuable project to the people of San Pablo and the region.

Sincerely,
