The San Pablo City Council congratulates

# *La Strada Italian Cuisine*

*Winner of the 2018 San Pablo Small Business of the Year Award*

La Strada has been contributing to the San Pablo community for over 20 years and continues to consistently offer an elegant, quality place to dine and gather. It is a strong employer, retaining some employees for over 20 years. La Strada's quality and the way they treat people mean they attract significant disposable income from outside the area. It is a leader among the merchant community and a place where the community at-large feels welcome.
