**Recommendations: Option 1** 

• No change to the current SRO staffing levels.

50-50 cost-sharing model in the 2019-20 school year.

**Recommendations: Option 2** 

• No change to the current SRO staffing levels.

50-50 cost-sharing model in the 2020-21 school year.

## **Recommendations: Option 3**

• No change to the SRO staffing levels for the 2018-19 and 2019-20 school years.

 One SRO for each comprehensive and continuation high school and Helms (to maintain presence in San Pablo) beginning in the 2020-21 school year.

## Recommendations: Option 3 cont.

• 50-50 cost-sharing model in the 2020-21 school year.

• Reduce cost of SRO contracts by 5% in 2018-19

• Reduce cost of SRO contracts by 10% in 2019-20

## **Additional Recommendations**

• Define role of School Resource Officers.

• Define offenses handled by school administrators and those by SROs.

• SROs required to take part in trainings for trauma-informed and restorative practices.

## **Additional Recommendations**

• SRO training included in the cost of the contract.

• SROs active members of school climate teams.

 Savings directed to implementing and sustaining trauma-informed and restorative practices, positive school climate.
