Description/Analysis

Issue Detail: The Department of Public Works (DPW), Fleet Management Division, has a customer requirement to purchase replacement motorcycles for ongoing operations.

Policy Considerations: The recommendations in this report are in accordance with the provisions of City Code Chapter 3.56.

Economic Impacts: None

Environmental Considerations: No environmental review is necessary because the recommendations in this report involve the purchase of motorcycles and are not considered to be a project in accordance with Section 15378(b)(2) of the California Environmental Quality Act Guidelines.

Sustainability: Not applicable

Commission/Committee Action: None

Rationale for Recommendation: The DPW, Fleet Management Division, has a customer requirement to purchase replacement motorcycles for ongoing operations. On December 21, 2016, Fleet Management, in accordance with City Code Chapter 3.56, issued Invitation for Bid No. B17153311004 for BMW 1200 RT-P Police Motorcycles. The only responsive and responsible bidder is Long Beach BMW Motorcycles.

Financial Considerations: The recommended contract with Long Beach BMW Motorcycles in an amount not to exceed \$300,000 will be used to purchase five replacement motorcycles for the Police Department. These purchases will be made from the DPW operating budget (Fleet Fund, Fund 6501) and will be charged to the Police Department's multi-year operating project (MYOP) for replacement vehicles and equipment. Sufficient funds are available in each of these budgets for purchases through June 30, 2017. Purchases made after June 30, 2017 are subject to funding availability in the adopted budgets of the applicable fiscal year.

Local Business Enterprise (LBE): Long Beach BMW Motorcycles is not an LBE. The minimum LBE participation requirement is waived for the procurement of supplies totaling greater than \$100,000 because of the limited number of local suppliers and subcontracting is generally not practical or financially beneficial to the City.

5.) HOLD HARMLESS: The Contractor shall defend, indemnify, and hold the City of Sacramento, its officers, agents, and employees, harmless from and against any and all claims, actions, costs, proceedings, damages, and other liabilities, including attorney fees, caused by defect(s) in the item(s) purchased hereunder, or resulting from the Contractor's or the City's use of any copyrighted, or non-copyrighted composition, process, patented or non-patented invention, articles or appliances furnished or used under this order, and agrees to defend, at Contractor's expense, any and all actions brought against the City of Sacramento or themselves because of unauthorized use of such articles.

CONTRACTOR agrees to avoid conflicts of interest or the appearance of any conflicts of interest with the interests of CITY at all times during the performance of this Agreement. CONTRACTOR agrees to protect all City Information and treat it as strictly confidential, and further agrees that CONTRACTOR shall not at any time, either directly or indirectly, divulge, disclose or communicate in any manner any City Information to any third party without the prior written consent of CITY. In addition, CONTRACTOR shall comply with all CITY policies governing the use of the CITY network and technology systems, as set forth in applicable provisions of the City of Sacramento Administrative Policy Instructions # 30. In this Agreement, the term "information" shall be construed to mean and include: any and all work product, submittals, reports, plans, specifications, and other deliverables consisting of documents, writings, handwritings, typewriting, printing, photostating, photographing, computer models, and any other computerized data and every other means of recording any form of information, communications, or representation, including letters, works, pictures, drawings, sounds, or symbols, or any combination thereof. CITY shall make reasonable efforts to notify CONTRACTOR not later than ten (10) days after CITY is served with any such claim, action, lawsuit or other proceeding, provided that CITY's failure to provide such notice within such time period shall not relieve CONTRACTOR of its obligations hereunder, which shall survive any termination or expiration of this Agreement.
- C. All proprietary and other information received from CONTRACTOR by CITY, whether received in connection with CONTRACTOR's proposal to CITY or in connection with any Services performed by CONTRACTOR, will be disclosed upon receipt of a request for disclosure, pursuant to the California Public Records Act; provided, however, that, if any information is set apart and clearly marked "trade secret" when it is provided to CITY, CITY shall give notice to CONTRACTOR of any request for the disclosure of such information. The CONTRACTOR shall then have five (5) days from the date it receives such notice to enter into an agreement with the CITY, satisfactory to the City Attorney, providing for the defense of, and complete indemnification and reimbursement for all costs (including plaintiff's attorney fees) incurred by CITY in any legal action to compel the disclosure of such information under the California Public Records Act. The CONTRACTOR shall have sole responsibility for defense of the actual "trade secret" designation of such information.
- D. The parties understand and agree that any failure by CONTRACTOR to respond to the notice provided by CITY and/or to enter into an agreement with CITY, in accordance with the provisions of subsection C. above, shall constitute a complete waiver by CONTRACTOR of any rights regarding the information designated "trade secret" by CONTRACTOR, and such information shall be disclosed by CITY pursuant to applicable procedures required by the Public Records Act.
8. **Standard of Performance.** CONTRACTOR shall perform all Services required pursuant to this Agreement in the manner and according to the standards currently observed by a competent practitioner of CONTRACTOR's profession in California. In the event that CITY, at any time during the term of this Agreement, desires the removal of any person assigned by CONTRACTOR to perform Services pursuant to this Agreement, because CITY, in its sole discretion, determines that such person is not performing in accordance with the standards required herein, CONTRACTOR shall remove such person immediately upon receiving notice from CITY of the desire of CITY for the removal of such person.

If CITY gives such notice of suspension, CONTRACTOR shall immediately suspend its activities under this Agreement, as specified in such notice.
- C. CITY shall have the right to terminate this Agreement at any time by giving a written notice of termination to CONTRACTOR. If CITY gives such notice of termination, CONTRACTOR shall immediately cease rendering Services pursuant to this Agreement. If CITY terminates this Agreement:
 - (1) CONTRACTOR shall, not later than five days after such notice of termination, deliver to CITY copies of all information prepared pursuant to this Agreement.
 - (2) CITY shall pay CONTRACTOR the reasonable value of Services rendered by CONTRACTOR prior to termination; provided, however, CITY shall not in any manner be liable for lost profits that might have been made by CONTRACTOR had the Agreement not been terminated or had CONTRACTOR completed the Services required by this Agreement. In this regard, CONTRACTOR shall furnish to CITY such financial information as in the judgment of the CITY is necessary for CITY to determine the reasonable value of the Services rendered by CONTRACTOR. The foregoing is cumulative and does not affect any right or remedy that CITY may have in law or equity.

10. Indemnity.

- A. Indemnity: CONTRACTOR shall defend, hold harmless and indemnify CITY, its officers and employees, and each and every one of them, from and against any and all actions, damages, costs, liabilities, claims, demands, losses, judgments, penalties, costs and expenses of every type and description, including, but not limited to, any fees and/or costs reasonably incurred by CITY's staff attorneys or outside attorneys and any fees and expenses incurred in enforcing this provision (hereafter collectively referred to as "Liabilities"), including but not limited to Liabilities arising from personal injury or death, damage to personal, real or intellectual property or the environment, contractual or other economic damages, or regulatory penalties, arising out of or in any way connected with performance of or failure to perform this Agreement by CONTRACTOR, any subcontractor or agent, anyone directly or indirectly employed by any of them or anyone for whose acts any of them may be liable, whether or not (i) such Liabilities are caused in part by a party indemnified hereunder or (ii) such Liabilities are litigated, settled or reduced to judgment; provided that the foregoing indemnity does not apply to liability for any damage or expense for death or bodily injury to persons or damage to property to the extent arising from the sole negligence or willful misconduct of CITY, its agents, servants, or independent contractors who are directly responsible to CITY, except when such agents, servants, or independent contractors are under the direct supervision and control of CONTRACTOR.
- B. Insurance Policies; Intellectual Property Claims: The existence or acceptance by CITY of any of the insurance policies or coverages described in this Agreement shall not affect or limit any of CITY's rights under this Section 10, nor shall the limits of such insurance limit the liability of CONTRACTOR hereunder. This Section 10 shall not apply to any intellectual property claims, actions, lawsuits or other proceedings subject to the provisions of Section 7.B., above. The provisions of this Section 10 shall survive any expiration or termination of this Agreement.

CONTRACTOR shall take such action with respect to any subcontract or procurement as the CITY may direct as a means of enforcing such provisions including sanctions for noncompliance; provided, however, that in the event CONTRACTOR becomes involved in, or is threatened with, litigation with a subcontractor or supplier as a result of such direction, CONTRACTOR may request CITY to enter such litigation to protect the interests of CITY.
13. **Severability.** If any portion of this Agreement or the application thereof to any person or circumstance shall be held invalid or unenforceable, the remainder of this Agreement shall not be affected thereby and shall be enforced to the greatest extent permitted by law.
14. **Waiver.** Neither CITY acceptance of, or payment for, any Service or Additional Service performed by CONTRACTOR, nor any waiver by either party of any default, breach or condition precedent, shall be construed as a waiver of any provision of this Agreement, nor as a waiver of any other default, breach or condition precedent or any other right hereunder.

2.) LOCAL BUSINESS SALES/USE TAX DEDUCTION

The Sacramento City Code requires the City to identify those bids that are subject to the City's local sales or use tax under the provisions of Part 1.5 of Division 2 of the California Revenue and Taxation Code and Chapter 3.24 of the Sacramento City Code. The lowest responsible bidder shall be determined after the amount of local sales or use tax that would be received by the City is deducted from such bids. The current rate at which such local sales or use tax is received by the City is one percent (1%). **Therefore, in evaluating bids to determine the lowest responsible bidder, bids that are subject to this tax at the time of bid opening shall have an amount equal to one percent (1%) of the taxable total deducted from the bids.** This deduction shall be in addition to the application of any bid price preferences or other deductions authorized by the City Code. Such deductions shall be made for bid evaluation purposes only. Contract awards shall be made at the actual bid amount.

3.) SUSTAINABLE PURCHASING POLICY ("SPP")

The City has adopted a "Sustainable Procurement Policy" (SPP) and program. The goal is to encourage the procurement of products and services that help minimize environmental impact resulting from use and disposal of these products. Contractors are encouraged to offer Energy Star, Green Seal, UL EcoLogo, or products that meet FEMP (Federal Energy Management Program) standards for energy consumption. City also encourages Contractors to offer products that are produced with recycled materials, where appropriate, unless otherwise requested in this IFB. Contractors will offer products that have minimal virgin materials and maximum use of recycled products. Contractor must work with the City to attain these goals.

Notwithstanding the above, the Contractor agrees to supply the City of Sacramento with environmentally preferable and effective products in compliance with the specifications in this solicitation and provide services that help minimize environmental impact resulting from use and disposal of products specified in this bid.

The Contractor further agrees that its products specified in this bid do not contain any items, ingredients or components prohibited under the City's SPP Policy.

Council Resolution No. 2000-551 authorizes the use of incremental bid evaluation preferences up to a total not to exceed five percent (5%) of the total bid amount when evaluating the cost of products or services that represent the efforts to recycle and re-use sustainable and environmentally preferred products described in this policy. However, such bid preferences shall not exceed a total value of \$50,000.00 on any single bid procurement bid preference.

The City may terminate this Contract or take other appropriate actions if the Contractor fails to comply or provide adequate supporting documentation to substantiate compliance with the City's SP Policy and requirements specified in the bid.
