Alright Ya'all the time has come to start making your travel plans to attend the often imitated, never duplicated premiere Thanksgiving Holiday Event ... the 2018 edition of

Welcome to the National Youth Football League's Pigskin Tournament Website

Thank you for your interest in our Annual Pigskin Tournament, to be held during the American Thanksgiving Week 2018 in Las Vegas, Nevada. If your team, coaches and parents are looking for the **PREMIER** tournament in Las Vegas, **this is it!** The benefits of our tournament are clear. Our lower registration costs, lower cost of hotel accommodations, will save YOUR team and parents money. All games are played at **one place**, (Playing Fields) the City of Las Vegas' \$14.5 million dollar "All American Park", located just 5 miles west of "The Strip". At our 2003 tournament, we had the exciting opportunity to meet John Elway, who's team, The Arapahoe Eagles, participated (and were division champions) in our tournament.

There are several tournaments held during the Thanksgiving Weekend throughout the country, and John Elway chose the Pigskin Tournament to bring his team to. Why? Simply stated, our tournament features a "tail gate party" like atmosphere, fair and competitive rules, unquestioned integrity and the lowest participation costs of any tournament held in Las Vegas. Coaches, players and parents who have attended other tournaments and have now found the Pigskin Tournament have resoundingly been pleased with the experience.

Here are just a few of the testimonies we received:

Silver Lake Football Association

"On behalf of Silver Lake Football Association of Everett, WA I wish to thank you for an unforgettable experience that our team had in 2004. I have recommended your tournament to our entire league and hope we can represent ourselves again. The competition was great, as was the entire event." M. Squires, President, Silver Lake Football Association "Timberwolves"

Otay Ranch Youth Football

"I wanted to congratulate you on another successful tournament. Once again, all of the teams that came up from Otay Ranch Youth Football & Cheer had an outstanding time ... as did the other teams from the San Diego conference. Again, thanks for being such gracious hosts! You guys really know how to throw a football party! We look forward to next year ... I think that I will have a Pigskin Tournament coordinator that handles the registration for each of our teams, transportation and hotel rooms too! We are that excited!" M. Whitfield, ORYFC President

Duarte Hawks Jr. Pee Wee

"My Son participated in your tournament this past weekend. It was magnificent. I'm totally speechless. Thank you for the opportunity. God willing, we will definitely return annually. It was truly an unreal experience. Thank you." D. Delaney, Duarte Hawks Jr. Pee Wee

Silver Lake Jr's

"Probably the absolute best competitive experience we could have given our athletes was to participate in the Pigskin Tournament. This was an event that these kids (and coaches, and parents) will remember the rest of their lives. We hope to come back and defend our title next year. Thanks for a terrific event." B. Justice - Coach, Silver Lake Jr. Green, Everett, Washington

Auburn Jr. Football

"I thought your tournament was well run. I was at another tournament last year in Las Vegas, which was played at different high schools throughout the area with referees that were not competent. Thanks for providing my son with a positive experience for his last junior football game of his career." D. Allen, Auburn Jr. Football

Plain City Blue

"Just want to thank you guys for a great tournament. We were very happy with the professionalism and integrity of the whole tournament." P. Meyer, Assistant Coach - Plain City Blue, Plain City Council Member
