Dear Matt Rodriguez,

**2019 West Contra Costa Salesian Boys & Girls Club Charity Golf Tournament
Republic Services—Title Sponsor**

Please join us for a great day of golf, a sizzling barbecue lunch and a delicious steak dinner, including a chance to win great prizes, all while supporting the West Contra Costa Salesian Boys and Girls Club (WCCSBGC), a non-profit organization dedicated to improving the lives of children and young teens from within our local community.

This year's tournament will be held on **Monday, August 26, 2019** at the historic Richmond Country Club. We would like to invite you to join other friends, business and community leaders to play a round in support of the children of the WCCSBGC, or just come for dinner!

For the past 73-years, we have remained dedicated to improving the lives of underserved children. Each year, over 3,300 participate in a myriad of youth programs throughout the school year and summer. Designed specifically to enhance their moral character, the Club's programs include leadership training, academic tutoring, computer skills, health instruction, arts and sports. Most of these children come from diverse, struggling, low-income families.

Recognized as the most significant fundraising event of the year, Republic Services' annual sponsorship of this event is invaluable to the Club's continued success as a 501(c)(3) non-profit status (#94-1492635). So your participation is not only welcomed, but greatly appreciated!

We would be honored to have you join us for this fun-filled day. All funds are dedicated to providing a brighter future for our children, so please complete the attached registration form and return it in the self-addressed envelope provided.

We look forward to hearing from you!

Sincerely,

Joseph P. Aita
