FISCAL IMPACT:

100% Contra Costa Transportation Authority Funds

BACKGROUND:

In 2012, Contra Costa County entered into a Right of Way Services Agreement with Contra Costa Transportation Authority(CCTA) to provide right of way services in connection with the I-80 San Pablo Dam Road Interchange Project (Project). The Project is now complete and due to the realignment of the roadway, several portions of property acquired for El Portal Drive are within the City road right of way. CCTA has requested that the surplus real property be conveyed to the City for proper ownership and maintenance. Real Estate Division staff has estimated the value of the property to be \$25,000 or less.

On June 25, 2013, the Contra Costa County Board of Supervisors adopted the Mitigated Negative Declaration for the Project. (DCD #13-25 [SCH# 2009082009]).

CONSEQUENCE OF NEGATIVE ACTION:

The County would continue to own and have liability for roadway within the City of San Pablo.
