Dear Ms. Rodriguez,

I would like to thank City of San Pablo for being a long-standing supporter of the community.. As a result of your commitment to the community we are able to provide 500 primarily uninsured families with mental health and violence prevention service annually.

We are currently in the planning stages of our Familias Unidas 40<sup>th</sup> Anniversary Fundraiser event that will be held on Saturday, October 5, 2019 at Assemble Restaurant in Richmond. This fundraiser, led by Familias Unidas' board of directors, is a milestone for our agency. We plan on donating all funds to sustain our programs that has been impacted, by decreased funding from local, state and federal resources and that will directly benefit the families of San Pablo. We are looking at foundations and philanthropists to partner with us to provide financial support to continue to provide services.

Familias Unidas provides quality mental health services that supports community well-being through preventive health education, outreach, psychosocial case management support and psychotherapy. Our holistic and culturally appropriate approach serves the Latino population and other diverse communities in West Contra Costa County.

Sponsorship levels are indicated in an attachment. We respectfully seek City of San Pablo to join us as a Sponsor. We look forward to our continued partnership. Please feel free to connect with Lorena Huerta, Executive Director at [luherta@familias-unidas.org](mailto:luherta@familias-unidas.org) or 510-412-5930.

Yours Sincerely,
