Lehny,

Thank you for clarifying that, because it states clearly on the intro to the course that we are not required to take it as we receive no pay or recompense for our work. In lieu of that and that my term is up and noticing I have served for 20 years...I have decided to retire from the commission. Please thank everyone involved for me, we all shared a lot of hard work. I can drop off my vest this week.

Thanks, Janet

Good morning, Janet. The Safety Commission By-Laws state that the Commission are bound by the Ralph M. Brown Act.

I don't believe that in previous years, Safety Commissioners were not "required" to take the Ethics Training, but our City Attorney is asking that all commissioners take the training.

Lenny,  
We were told that the training was not applicable to us. Could you please ascertain that?  
As it was explained to us, it did not apply to volunteer groups.

Hello, Janet and Khan. As previously advised, board and commission members must take the Ethics Training (AB1234) every two years. Below is the link to take the online training through the Fair Political Practices Commission (FPPC) website. Kindly do so as soon as possible. Once the training is completed, please print, sign and forward the original signed Certificate of Participation to me immediately.

Thank you so much!
