**AMENDED AND RESTATED JOINT EXERCISE OF POWERS AGREEMENT OF THE
WEST CONTRA COSTA INTEGRATED WASTE MANAGEMENT AUTHORITY**

THIS AMENDED AND RESTATED JOINT EXERCISE OF POWERS AGREEMENT (“Agreement”) is entered into as of _____, 2019, and is by and among the CITY OF EL CERRITO (“El Cerrito”), a municipal corporation and charter city, the CITY OF HERCULES, a municipal corporation, the CITY OF PINOLE, a municipal corporation, the CITY OF RICHMOND, a municipal corporation and charter city, and the CITY OF SAN PABLO, a municipal corporation hereinafter referred to individually as “Member” and collectively as “Members.” This Agreement amends and restates the Joint Powers Agreement dated April 2, 1991, as amended by Amendment No. 1 dated November 14, 1991, Amendment and Restatement No. 2 dated December 21, 1993, Amendment and Restatement No. 3 dated March 6, 1995, and Amendment No. 4 on March 10, 2011 (together, the “Original Agreement”), and restates in full the provisions of the Original Agreement, except as amended herein, without affecting the ongoing existence of the WEST CONTRA COSTA INTEGRATED WASTE MANAGEMENT AUTHORITY (“Authority”).

RECITALS

A. California Government Code section 6500 *et seq.* (“Law”) provides for agreements between two or more public agencies to jointly exercise any power common to the contracting parties, subject to certain mandatory provisions contained therein;

B. The State of California has enacted the California Integrated Waste Management Act of 1989 at California Public Resources Code section 40000 *et seq.* (“Act”) mandating that municipalities divert material from landfills and promulgating regulations promoting material reuse and recycling.

AUTHORITY BOARD-APPROVED AMENDED AND RESTATED JEP A

C. Pursuant to this authority, the Members entered into the Original Agreement to establish and confer upon a separate legal entity the powers necessary to: (i) form a Regional Agency to report as a single entity the annual regional compliance with the Act's reporting requirements; (ii) implement regional waste reduction and recycling diversion programs; (iii) to increase the diversion of waste from disposal facilities; and (iv) develop an integrated resource recovery facility ("IRRF") to achieve the Members' waste diversion goals, to comply with the Act, and to arrange for processing of and disposal of remaining waste.

D. The County and the Authority entered into a contract on May 25, 1993 ("Authority-County Contract") in order to facilitate development of an integrated resource recovery facility ("IRRF") to be partially located in the unincorporated area of the County, provide for the continued disposal of waste generated in the unincorporated areas of the County encompassed by the District, divert such waste through the use of an IRRF and provide for regulation of the IRRF.

E. Pursuant to the Agreement, the County appointed an ex-officio non-voting Director to the Authority's Board of Directors, the Authority approved IRRF bonds, an IRRF was developed and the bonds were repaid.

F. The Members recognize that many Authority activities are based upon the waste tonnage generated by the Members and that the City of Richmond generates a substantially greater amount of tonnage in all categories of waste than other Members. Therefore, although Authority programs are available to all Members regardless of the waste tonnage generated by a particular Member, the Members commit to make a good faith effort to provide Richmond with funding, materials and services commensurate with its contribution to the Authority's budget.

AUTHORITY BOARD-APPROVED AMENDED AND RESTATED JEP A

G. Prior to 2014, the iterations of the Original Agreement addressed IRRF bonds and development including the contract with West County Resource Recovery Inc. for IRRF operation and administration. The Authority's involvement with these activities has now concluded. Nonetheless, the Authority continues to operate as a Regional Agency and to manage the post-collection processing and disposal activities of the Members. This Agreement is intended to be consistent with those activities and is further intended to provide a structure for the Authority to both meet new legislative mandates and provide the necessary flexibility to address Members' needs post 2024.

H. The Members further intend that this Agreement reflect the changes that have occurred since the execution of the Third Amendment Restatement in 1995, to exercise their respective powers jointly and to exercise such additional powers as are available to the Authority under the Law for the purpose of achieving their waste diversion goals and complying with the Act.

8.9. Reserves.

(a) The Authority establishes the following three (3) funds: 1) an Operating Fund; 2) an Operating Reserve Fund; and 3) a Recycling Fund Reserve. The Operating Reserve Fund limit is initially set at 67% of the annual operating budget.

replenishment of reserves and the periodic Board consideration of use of the excess Recycling Fund Reserves.

(c) Excess Recycling Fund Reserves. Any potential excess in the Recycling Fund Reserve shall be dispersed to Members, used for rate reduction or subsidy, or to fund special projects. Reserve fund procedures and policies have been adopted by Resolution 18-02. The funding amounts of the Operating Reserve Fund and the reserve fund policies may only be modified in the future through adoption of a resolution subject to a unanimous vote of the Board.

(d) The Board may from time to time create and fund a Liability Reserve Fund for potential or anticipated future liabilities, such as CalPERS Unfunded Actuarial Accrued Liability (“UAAL”) and Other Post-Employment Benefits (“OPEB”) obligations.

9.2. The Authority may establish a joint operating fund which may receive funds from the Members or other sources. The fund shall be used to pay all administrative, operating and other non-capital expenses incurred by the Authority. In the event that the Board requires contributions from the Members any such payments shall be made in such manner and at such times as approved by a unanimous vote of the Board.

9.3. All moneys in the operating fund shall be paid out for the purposes for which the fund was created upon authorization of the Board, or within the expenditure authority of the Executive Director provided by the Board by time to time.

SECTION 11. Implementation of the Act.

11.1. Intent. It is the intent of all Members to form a regional agency, as defined by Public Resources Code section 40181, and for the Authority to undertake the responsibilities of a regional agency pursuant to the powers of the Authority as set forth, *supra*, in Sections 5.1 and 5.2.

11.2. Submittal of Elements by Members.

(a) Any Member choosing to exercise its authority to undertake an SRRE, HHWE or NDFE individually, or to respond individually to a notice of deficiency, may do so by providing a resolution of the governing body of the Member to the Authority and each other Member within ten (10) days of adoption of said resolution.

(b) Each Member so electing to exercise the prerogatives provided in Section 11.2(a) or receiving a written notice from the Authority, shall be solely responsible for compliance with the requirements of the Act upon adoption of the Member resolution required by Section 11.2(a), or receipt of the notice from the Authority.

11.3. Compliance Monitoring.

(a) The Authority may establish a fair and equitable basis for determination of the amount of waste disposed of from within the Members' jurisdiction and this method shall be used to determine the maximum amount of disposal allowable under the Act for the area included in the boundaries of the Authority.

(b) The Authority shall be entitled to cause the Solid Waste of the Members to be monitored in order to determine compliance with the Act.

AUTHORITY BOARD-APPROVED AMENDED AND RESTATED JEPa

(c) The Authority shall be responsible for compiling and submitting disposal information from haulers and operators required to be submitted by CalRecycle pursuant to California Code of Regulations, Title 14, Division 7, Chapter 9, Article 9 or successor regulations and the Members agree to require their respective haulers to submit such information to the Authority.

(d) The Authority shall monitor the implementation of the Regional Plan by the Authority and the Members and shall periodically report to the Members the status of compliance with the requirements of the Act and status of implementation of the Regional Plan.

(e) The Authority shall report to the Members the substantial failure of the Authority, a Member or other party to implement applicable provisions of the Regional Plan.

(f) The Authority will implement the Act's programs and demonstrate compliance with the monitoring and reporting requirements related to Assembly Bill 341 (2011), Assembly Bill 1826 (2014), and any other future State mandates related to solid waste handling within the Member boundaries.

11.4. Contingency Plans. Consistent with section 40975(b)(3) of the Public Resources Code, the Authority hereby establishes a Contingency Plan which provides for compliance with the Act by each of the Members in the event the Authority, as the regional agency, is dissolved, or the Authority continues its role as a regional agency. The Contingency Plan is as set forth in Sections 15 and 16 of this Agreement, dealing with Withdrawal and Termination, respectively.

11.5. Regional Plan.

(a) The Regional Plan and amendments thereto shall be developed in consultation with the Members and approved by the Authority Board of Directors and submitted or resubmitted to CalRecycle as may be needed.

AUTHORITY BOARD-APPROVED AMENDED AND RESTATED JEPa

(b) The Regional Plan shall identify source reduction, recycling, composting, education and public information, household hazardous waste and other programs required by the Act or CalRecycle regulations and assign responsibility for implementation of said programs among the Authority and the Members.

(c) The Regional Plan, and subsequent amendments or revisions thereto, following approval by CalRecycle, shall be included in this Agreement by this reference.

(d) Notwithstanding Section 16 of this Agreement, the Regional Plan may from time to time be amended by a majority vote of the Authority Board of Directors and all such amendments shall become a part of the Regional Plan upon approval by CalRecycle.

(e) The Members shall make a good faith effort to implement programs and actions specified in the Regional Plan approved by CalRecycle for implementation by that Member.

(f) The Members agree to provide the Authority information specific to its jurisdiction that is not readily available elsewhere as required by the Authority to prepare and implement the Regional Plan.

(g) Each Member agrees to coordinate its education and public information activities with respect to Solid Waste and household hazardous waste with the activities of the Authority and to conduct such activities in a manner consistent with the education and public information program contained in the Regional Plan.

11.6. Grants and Financial Assistance. Each Member agrees to cooperate with the Authority as necessary to enable the Authority to apply for and receive grant funds and other financial assistance that may be available to a Member for development of the Regional Plan or

AUTHORITY BOARD-APPROVED AMENDED AND RESTATED JEPa

for implementation of programs and actions assigned to the Authority in the Regional Plan in order to minimize costs which must be borne by ratepayers.

SECTION 12. Authority Established Rates.

12.1. The Authority shall be solely responsible for the approval of rates for services at an Approved Facility designated pursuant to this Agreement and each Member hereby delegates, assigns and/or otherwise transfers to the Authority any powers that each Member that has its Designated Waste processed at an Approved Facility may have with respect to the regulation of, approval or establishing rates or charges for that designated waste.

12.2. The Authority shall establish or approve rates to be charged at an Approved Facility, in amounts sufficient to provide the revenues necessary to meet the contractual obligations for use of Approved Facilities.

12.3. The Authority may from time to time elect to include as an additional amount in the rates established or otherwise approved for an Approved Facility, or a portion of the amounts so determined from, as necessary to provide for the planning and implementation activities of the Authority, to pay other costs and obligations of the Authority, in which case the amounts so included will be paid to the Authority by the operator of an Approved Facility.

12.4. The Members recognize that (i) Approved Rates will likely be established as a unit charge per unit weight of Solid Waste and Materials; and (ii) that each Member that uses that Approved Facility may be required to pass such rates through for collection from ratepayers as a part of the collection rate (e.g. a unit charge per can per month). Accordingly, the Members hereby agree that the Authority shall establish a fair and equitable basis for conversion of Approved Rates to a collection rate and that each Member shall include in the collection rates the amount approved by the Authority for collection from ratepayers. That portion of the

AUTHORITY BOARD-APPROVED AMENDED AND RESTATED JEPA

Approved Rates that is paid to the Authority is to be used to fund Authority activities that benefit all Members. A Member, in an alternative manner, may elect to fund or provide its share of the costs and obligations of the Authority set forth in Section 12.5, if its Directed Waste does not go to the Approved Facility and/or an alternative funding method is approved by the Board. El Cerrito, which has executed a separate Post Collection Agreement from the one defined in Section 1.26, shall contribute its portion of the Authority budget and HHWP costs based on its proportional share of the Members' "Inbound Solid Waste," "Inbound Organics and Food Scraps," "Inbound Mixed C&D/Concrete," "Inbound Residential Recycling," "Commercial Recycling," "Industrial Recycling," and "El Cerrito Commercial Dry Waste Processing" tonnage reported by the Contractor for the twelve-month period (historically August 1 to July 31) used by the Authority for the purposes of establishing the Post-Collection Rate pursuant to Section 5.4 of the PCA.

12.5. The Authority shall evaluate the accuracy of the Authority's prior conversion of Approved Rates to the unit charge collection rate that is included in the collection rate for each Member's jurisdiction. The Authority may use a balancing account concept from rate setting period to rate setting period to account for overages and underages. A unanimous vote shall be required for any Board action to modify the current rate setting methodology described in Exhibit B.

12.6. The Authority shall notify each Member and the other party to the Member's Franchise Agreement of the amount of said Approved Rates and the portion of collection rates corresponding to Approved Rates. The Authority shall also notify any Member agency that is not subject to the Approved Rates the portion of the required Authority revenues which must be funded by that Member.

SECTION 13. Apportionment of Penalties.

13.1. Penalties Arising from Authority Failure.

(a) Any penalties assessed against the Authority by CalRecycle, to a maximum of Fifty Thousand Dollars (\$50,000) per day, which are the result of the Authority's failure to either (i) submit an adequate Regional Plan or required element thereof; or (ii) make a good faith effort to implement the programs or actions specified in the Regional Plan for implementation by the Authority, shall be paid by the Authority.

(b) Any penalties assessed against a Member by CalRecycle, which are the result of an Authority's failure to either (i) submit an adequate Regional Plan or required element thereof; or (ii) implement the programs or actions specified in the Regional Plan for implementation by the Authority, shall be paid by the Authority.

(c) Any penalties paid by the Authority pursuant to Section 13.1(a) or Section 13.1(b) of this Agreement shall be paid out of Authority funds including potentially its Operating or Recycling Reserve Funds and, to the extent necessary, collected in the rates or charges assessed against each Member based upon their proportionate shares of the Members' aggregate solid waste tonnage (calculated using the Members' "Inbound Solid Waste," "Dry Waste," and "Construction and Demolition" tonnage as shown in the last three Annual Reports submitted by the Contractor pursuant to the PCAs.)

(d) The Members shall only be liable for payment of any penalties assessed against the Authority by CalRecycle which are not paid by the Authority and which are not paid by an individual Member pursuant to Section 13.2 below..

13.2. Penalties Arising from a Member's Failure.

AUTHORITY BOARD-APPROVED AMENDED AND RESTATED JEP A

(a) Any penalties assessed against the Authority by CalRecycle, which are the result of a Member's failure to implement programs or actions specified in the Regional Plan for implementation by the Member shall be paid by the Authority; and

(1) The Authority may recover any amounts, including penalties assessed by CalRecycle and the Authority's costs incurred as a result of CalRecycle's actions leading to and including the assessment and appeal of said penalties, by imposing a surcharge on the Directed Waste and Materials and all other waste delivered to an Approved Facility from within the jurisdiction of the failing Members who have not fully reimbursed the Authority.

(2) In lieu of collection of the penalty by the Authority through the surcharge, described in Section 13.2(a)(1) above, the Member may reimburse the Authority within thirty (30) days of Authority's payment of the penalties, the amount of penalties paid plus the Authority's costs incurred and associated with CalRecycle actions leading to and including the assessment and appeal of said penalties.

(b) Any penalties which are assessed directly against a Member as a result of the Member's failure to either (i) implement the programs or actions specifically identified in the Regional Plan for implementation by the Member; or (ii) to exercise its prerogatives under Section 11.2 of this Agreement; or (iii) to perform its obligations under Section 11.5 of this Agreement, shall be paid by the Member and neither the Authority nor any other Member shall be obligated to pay said penalties or any costs associated with the assessment or appeal of said penalties.

(c) In the event that failure of one or more Members to perform their obligations under this Agreement or to implement programs or actions specified in the Regional Plan for implementation by the Member causes the Authority or other Members to be unable to

AUTHORITY BOARD-APPROVED AMENDED AND RESTATED JEP A

implement the Regional Plan, the failing Member shall pay any penalties assessed against the Authority or other Member(s) by CalRecycle as a result of the failure.

(d) Upon notification of any such violation or claim, the Member or Members shall take such prompt, corrective action as is necessary to meet the requirements.

13.3. Nothing in this Section shall preclude one or more Members or the Authority from imposing or establishing additional incentives to meet waste diversion requirements.

SECTION 14. Disposition of Assets at Dissolution. Subject to the then applicable requirements of the Law (currently Sections 6511 *et seq.* of the California Government Code), upon dissolution of the Authority, the assets of the Authority remaining after payment of, and adequate provision for, all debts, liabilities and obligations of the Authority shall be divided in accordance with a resolution adopted by a unanimous vote of the Board at the time of the dissolution.

SECTION 15. Withdrawal.

15.1. Requirements for Withdrawal. A Member may withdraw from the Authority subject to the following:

(a) Notice of Withdrawal. A Member seeking to withdraw from the Authority shall notify the Authority and each of the Members, by personal delivery in the manner required by Section 18, by presenting (“Notice of Withdrawal”) a resolution adopted by its governing body setting forth its intent to withdraw from the Authority to the Board. The resolution shall set forth the effective date of the withdrawal (“Withdrawal Date”), which shall be no sooner than one hundred eighty (180) days from the Notice of Withdrawal. The Board may by unanimous vote authorize a Withdrawal Date that is sooner than 180 days from the Notice of Withdrawal.

AUTHORITY BOARD-APPROVED AMENDED AND RESTATED JEPa

(b) Defined Terms. For the purposes of this Section 15, the terms defined in this subsection have the following meanings:

The calculation of the CalPERS and OPEB UAAL shall reflect the reserve funds set aside for meeting those obligations.

(3) “Pro Rata Share” means a Member’s proportionate share of the Members’ aggregate solid waste tonnage (calculated using the Members’ “Inbound Solid Waste,” “Dry Waste,” and “Construction and Demolition” tonnage as shown in last three Annual Reports submitted by the Contractor pursuant to the PCA).

(c) Satisfaction of Pro Rata Share of Long-term Liabilities.

AUTHORITY BOARD-APPROVED AMENDED AND RESTATED JEP A

(1) Within ninety (90) days following receipt of a Notice of Withdrawal pursuant to Section 15.1(a), the Authority shall notify each of the Members, pursuant to Section 18, of its determination of the Allocated Funds, Unallocated Funds, Long-term Liabilities, and the Pro Rata Share. In determining the Long-term Liabilities, the Board of Directors shall, based on the recommendation of an actuary, determine the amount of any Authority UAAL as of the Withdrawal Date.

(2) On or before the Withdrawal Date, and as a condition precedent to the withdrawal's effectiveness, the withdrawing Member must pay to the Authority its Pro Rata Share of Long-term Liabilities. If the Authority determines, under Section 15.2(b), that the withdrawing Member is entitled to a disbursement of Unallocated Funds, the withdrawing Member may direct the Authority to deduct the payment required by this Subsection from its disbursement of Unallocated Funds.

(d) Termination of Withdrawal Process. A withdrawing Member may terminate the withdrawal process at any time before the withdrawal is effective by notifying the Authority and each of the Members, by personal delivery in the manner required by Section 18. 15.2. Disbursement of Unallocated Funds Upon Withdrawal.

(a) On or before the Withdrawal Date, the Authority shall disburse to the withdrawing Member its Pro Rata Share of the portion of the Unallocated Funds that are in excess of the Operating Fund Target Reserve and the Recycling Fund Target Reserve, as both are described in the Reserve Policy.

AUTHORITY BOARD-APPROVED AMENDED AND RESTATED JEP A

(b) Within 45 days following its adoption of a budget that reflects the departure of the withdrawing Member, the Authority shall disburse to the withdrawing Member its Pro Rata Share of the portion of the Operating Fund Reserve and the Recycling Fund Reserve that exceed, respectively, the recalculated Operating Fund Target Reserve and the recalculated Recycling Fund Target Reserve, pursuant to the Reserve Policy.

15.3. Obligations Following Withdrawal Date. A Member which has withdrawn from the Authority shall not be liable for the payment of Authority expenses accruing beyond the Withdrawal Date, and shall have no right to reimbursement of any assets or monies of the Authority once disbursement of any Unallocated Funds pursuant to Section 15.2(b), if any, has been effectuated.

15.4. Effect of Withdrawal on Agreement. The withdrawal of a Member shall have no effect on the continuance of this Agreement among the remaining Members and the Agreement shall remain in full force and effect with respect to the remaining Members.

15.5. Member and Authority's Obligations Under the Act.

(a) The withdrawing Member shall, not later than one hundred twenty (120) days prior to the Withdrawal Date, prepare and submit an SRRE, HHWE, and NDFE to CalRecycle for the Member's jurisdiction to CalRecycle for approval. The withdrawing Member shall be solely responsible for preparation of its SRRE, HHWE and NDFE;

(b) The Authority shall, not later than one hundred twenty (120) days prior to the Withdrawal Date, prepare and submit a revised Regional Plan which reflects the withdrawal of the Member to CalRecycle for approval.

Step 1: Calculate the Richmond Sanitary Service (RSS) Annual Post-Collection Revenue Requirement

DESCRIPTION:

The RSS Annual Post-Collection Revenue Requirement is calculated as:

\$92.02, which is the RecycleMore Board approved Blended Per-Ton Rate calculated as described in Section 5 of the Post-Collection Agreement (PCA) between RecycleMore and Republic Services (Republic) times 157,979.54, which is the Total Number of All Tons Collected by RSS¹ and reported by Republic for the twelve-month period from August 1 of the prior year through

¹ Pursuant to the franchise agreements between RSS and Hercules, Pinole, Richmond and San Pablo and Contra Costa County.

July 31 of the present year, and is inclusive of Solid Waste (Trash), Dry Waste, Construction and Demolition Debris (C&D), Recycling and Organics.

2018 SAMPLE CALCULATION:

$\$92.02 \times 157,979.54 \text{ tons} = \$14,537,960.88^2$

Step 2: Calculate the Revenue Requirement per Sector

DESCRIPTION:

The Revenue Requirement per Sector (Residential, Commercial, Industrial) is calculated as:

The RSS Annual Post-Collection Revenue Requirement as calculated in Step 1, times each Sector's percentage of the total Solid Waste (Trash), Dry Waste and C&D reported by Republic for the twelve-month period from August 1 of the prior year through July 31 of the present year.

These tonnages are a subset of the total number of all tons used in Step 1 in that recycling and organics tonnages are not included. For example, the total number of all tons used in Step 1 in 2018 was 157,979.54 tons, whereas the total solid waste (trash), dry waste and C&D tonnage was 103,718.67, with the difference between the two being 54,260.87 tons of recycling and organics, which are not counted for the purposes of calculating the Revenue Requirement per Sector.

² The Blended Per-Ton Rate used in prior years and in the 2018 Post-Collection Rate calculation was not rounded to the nearest cent, and as a result the RSS Annual Post-Collection Revenue Requirement shown above is an insignificant \$683.61 higher than the product of \$92.02 times 157,979.54.

Industrial Sector: \$14,537,960.88 X 33,098.54 tons / 103,718.67 tons = **\$4,639,330.83**

Step 3: Calculate the Unit Basis per Sector

DESCRIPTION:

The Unit Basis per Sector is expressed in monthly 35-Gallon Equivalents (Residential), Annual Cubic Yards (Commercial), and Annual Tons (Industrial) and is based on tonnage and detailed cart counts and cubic yard information reported by RSS and Republic, each of which are calculated per the following:

For the Residential Sector, the total number of residential Solid Waste (Trash) collection carts by gallon size (20, 35, 60/65, and 95/101) reported as of September 30 of the current year are multiplied by the 35-Gallon Equivalent factor for each cart size, yielding an equivalent number of 35-gallon carts. The 35-

Gallon Equivalent factors for each cart size are calculated as the ratio of gallon size divided by 35 and are shown in the table below. In 2018, the total number of 35-Gallon Equivalents was calculated at 59,280.

Trash Cart Size	35-Gallon Equivalents
20-gallon	0.57
35-gallon	1.00
60/65-gallon	1.86
95/101-gallon	2.79

For the Commercial Sector, the annual cubic yards are calculated as twelve (12) times the total commercial cubic yards per month on September 30. For the 2018 rate calculation, this number was 30,708 times 12, yielding 368,500 annual cubic yards.

For the Industrial Sector, the annual tons are the total industrial of Solid Waste (Trash), Dry Waste and C&D as shown in Step 2 (33,098.54 tons)

Step 4: Calculate the Post-Collection Rate Per Sector

DESCRIPTION:

For the Residential Sector, the base Post-Collection Rate is calculated for the 35-Gallon Trash cart as the Residential Sector Revenue Requirement, divided by the Residential Sector Unit Basis, divided by 12 months. The Post-Collection Rates for the 20-Gallon, 65-Gallon and 95/101-Gallon Trash carts are calculated based on the percentage increase in the 35-Gallon Post-Collection Rate for the coming rate year times the 20-Gallon, 60/65-Gallon and 95/101-Gallon Post-Collection Rates in the current rate year.

For the Commercial and Industrial Sectors, the Post-Collection Rate is simply the Revenue Requirement for each sector divided by the Unit Basis for each sector.
