Subject: Planning and Community Development Department Confirmation Appointment to League Policy Committee

Dear Mr. Morris:

The **Planning and Community Development** Department president has appointed you to a one-year term on the **Governance, Transparency and Labor Relations** Policy Committee. Your term will run through the 2020 Annual Conference. On behalf of the Board of Directors and members of the League of California Cities, I extend our congratulations and support. Your participation during the year will afford you an opportunity to effectively represent your division.

Your acceptance of this appointment brings with it a strong commitment and assumes that you will attend a majority of the meetings in 2020. As I am sure you understand, League presidential and other similar appointments are subject to any conditions or requirements imposed by the appointee's city.

Please keep your **Department** president informed of the activities and actions of the committee. From time to time, you may be asked to give a report on those committee activities. Also bear in mind that your participation and support as a committee member are essential to the effective functioning of the League. Committee members provide statewide representation of cities, as well as leadership and information to other city officials at the division, department, or city level. We appreciate and all benefit from your efforts in League affairs.

Your committee will meet three or four times this year, depending on whether or not an annual conference resolution is referred to this committee. **Meetings begin at 10 a.m. and conclude by 3 p.m.**, except for meetings held at the annual conference. An agenda packet with background material is **emailed** approximately one week prior to the meeting. Agenda materials will also be available on the League's Website at www.cacities.org/polcomm (*navigate to specific policy committee page*).

Please contact Meg Desmond at (916) 658-8224 or mdesmond@cacities.org if you have any questions regarding your policy committee appointment.

Thank you for your commitment to the League. I look forward to working with you this year.

Sincerely,

John Dunbar, Mayor, Yountville

President, League of California Cities
