

CONTRA COSTA COLLEGE

CULINARY ARTS

Dear Friends,

Over the past 12 years the Contra Costa College Culinary Arts Department has awarded more than 100 scholarships to its students to study abroad. Scholarship recipients take part in a culturally immersive and life changing experience, empowering them with invaluable skills and hands-on training. It is an exceptional educational discovery of local customs, food, and history which cannot be replicated in any classroom or with a book.

Contra Costa College's **13TH Annual Food & Wine Experience** promises excitement and fun for everyone. 100 percent of the proceeds from this annual event directly benefit our culinary students by funding travel abroad scholarships, training tools, and help to purchase uniforms for students in need. Don't miss out on your opportunity to interact with our students and make these life changing experiences possible.

On **April 26, 2020**, more than 40 popular restaurants and wineries will unite with our students to present their selections of culinary excellence. Guests will enjoy samples of signature dishes and beverages from some of the best restaurants and wineries in the Bay Area, coupled with the enthusiasm and hospitality of our students. Additional activities include live music, silent and live auctions, a cake raffle, mystery bag surprise wheel, door prizes, and a chance to unlock a top shelf liquor cabinet.

We're looking forward seeing you and to your participation at our **13TH Annual Food & Wine Experience**. Thank you!

Sincerely,

Nader Sharkes, C.E.C.
Department Chair
