Attachments: 2020 Food and wine Donation form.pdf

LT:

It wasn't for the CC College Scholarship Sponsorship. It was for the 13th Annual CC College Food and Wine Event for 2020 (See Attached Donation Info and below email).

Please process for same amount of event sponsorship as approved for last year to the City Council for approval on Feb. 3, 2020.

Thanks in advance.

Sincerely,

Matt

Subject: Contra Costa College Food and Wine Event

Dear Matt,

The Contra Costa College Culinary Arts Department will be hosting its Thirteenth Annual Food and Wine Event at the Fireside Hall on Sunday, April 26, 2020. I am writing to ask you to contribute to the Culinary Arts Program by participating as a vendor, sponsor or donor.

The Culinary Arts Department is one of several financially independent vocational programs at Contra Costa College committed to educating students. Monies raised by the Food and Wine Event provide additional funding necessary for our comprehensive program of study. Some of the funds raised are especially designated for culinary scholarships to study abroad. Last year's fundraising efforts provided scholarships that allowed ten students to travel to Italy for a two-week culinary instructional experience. Students traveled to various regions of Italy to learn about its history and culture while also having daily opportunities to engage in hands-on cooking experiences.

Your participation in this year's Food and Wine Event will greatly affect the quality of our students' educational experiences. Your contribution will provide many of our students with new opportunities that will benefit their education, training and employment potential.

I appreciate any donation you can provide to support our students in their educational and culinary training endeavors. If you have questions or would like to make arrangements for a VIP table at the event, please contact us at foodandwine@contracosta.edu, 510-224-3428.

Sincerely,

Nader Sharkes
Department Chair
