2. Revised Modified City Operations Plan dated June 4, 2020

WHEREAS, as of June 23, 2020, there were 2,454 confirmed cases of COVID-19 in Contra Costa County, and 62 deaths. As of June 23, 2020, there were 183,073 confirmed cases of COVID-19 in California with 5,580 deaths. As of June 23, 2020, there were 2,302,288 cases of COVID-19 in the United States with 120,333 deaths. All of those

numbers are expected to continue to rise. Further, San Pablo continues to be identified as a “hot spot” with 218 confirmed COVID-19 cases at an increasingly high rate of 694 cases per 100,000 population;

WHEREAS, according to the East Bay Economic Development Alliance’s (East Bay EDA) Business Recovery Survey Results published on May 19, 2020, 80% of East Bay businesses are “microbusinesses” employing fewer than 10 employees, which often have limited cash reserves and are not positioned to take on more debt to survive COVID19 and shelter-in-place orders; microbusinesses are more likely to be minority- or women-owned compared to larger businesses; nearly 40% of the survey respondents were temporarily closed because they were not considered “essential” and 42.3% of West Contra Costa County businesses temporarily closed;

WHEREAS, eleven out of fifteen surveyed West Contra Costa County businesses indicated staff reductions in the 75-100% range, with layoffs and revenue losses hitting low-wage workers the hardest with impacts in the following industries: food and beverage; retail and personal services; hospitality/leisure/entertainment;

WHEREAS, many San Pablo residents have experienced job loss or reduced hours due to COVID-19 and shelter-in-place orders;

WHEREAS, Contra Costa County overall saw an increase in unemployment from a March unemployment rate of 4.1 percent to an April unemployment rate of 14.5 percent, with nearly 3.7 million Californians filing for unemployment during the first six weeks of COVID-19 pandemic and the nation seeing the highest level of unemployment in 70 years;

WHEREAS, according to the East Bay EDA, there were 25,560 jobs lost in the East Bay during March and April, representing nearly 30% of job cuts in the nine-county Bay Area. However, the Urban Institute estimated 45,666 low-income jobs (annual earnings below \$40,000) lost just in Contra Costa County through May 8, 2020;

WHEREAS, to address these economic impacts and the critical need that residents remain sheltered during the pandemic to decrease the transmission of COVID-19, on April 27, 2020, the City Council adopted Urgency Ordinance No. 2020-008 temporarily prohibiting evictions of residential and commercial real property tenants impacted by the COVID-19 pandemic and establishing a moratorium on rent increases. In addition, on May 4, 2020, pursuant to Resolution No. 2020-054, the City Council approved the guidelines for a grant program for residents financially impacted by COVID-19;

WHEREAS, the City of San Pablo is losing \$2.34 million in revenue for each month that Casino San Pablo is closed due to the shelter-in-place orders, in addition to \$1.3 million every month from other City revenue sources, forcing a hiring freeze, suspension of all non-essential spending and layoff of part-time employees;

WHEREAS, the economic recovery from COVID-19 and its impacts are estimated to be in terms of years not months;

WHEREAS, in addition, the nation is experiencing civil unrest in the wake of the death of George Floyd while detained by a Minneapolis police officer on May 25, 2020, which has led to peaceful protests, but also to some rioting and looting in neighboring communities in violation of shelter-in-place and social distancing orders that could further exacerbate the spread of COVID-19 and placing additional demands on public safety resources, which are already taxed by COVID-19 issues;

WHEREAS, on June 2, 2020, Contra Costa County declared a local emergency due to civil unrest and issued a Countywide curfew that included both incorporated and unincorporated areas, which has since been terminated;

WHEREAS, the City Manager/Director of Emergency Services recommends that the City Council extend the declaration of a local emergency and confirm the actions taken by the Director of Emergency Services since June 15;

WHEREAS, the City Council of the City of San Pablo hereby finds conditions of extreme peril to the health and safety of persons and property have continued within the City of San Pablo caused by COVID-19 including not only health impacts but economic impacts with many residents having jobs eliminated or hours reduced, as well as impacts to the City's own financial condition; these conditions are or are likely to be beyond the control of the services, personnel, equipment, and facilities of the City of San Pablo and require the combined forces of other political subdivisions to combat; and these conditions are of such extreme peril to warrant and necessitate the proclamation of the existence of a local emergency.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of San Pablo that:

1. A local emergency continues to exist throughout the City of San Pablo commencing on or about 7:00 am on Monday, March 16, 2020 and shall be deemed to continue to exist until its termination is proclaimed by the City Council of the City of San Pablo;
2. All actions taken by the Director of Emergency Services and City Manager in response to this local emergency are confirmed; and
