Hello, my friends of San Pablo City Council. We are very excited to be returning for the 2021 Football & Cheer season after a whole year off. COVID-19 proved to be devastating as the World stood still. We hope everyone's family made it through those tough times. As we move forward this year San Pablo Cowboys would like to keep our partnership with the City of San Pablo. We're asking for a fee waiver for Davis Park to conduct our practices during the 2021 Football & Cheer season. Thank you in advance.

Sincerely,

San Pablo Cowboys Youth Association
