Hello,

My name is Allison Torres and I live at 2863 13th St San Pablo. I have lived here for about 6 months. I have enjoyed it so far but I am concerned about the parking situation. Understandably there isn't enough and not much we can do about it but what concerns me is the aggression and the constant presence of trash bins on the street to "reserve/block off" parking spots. I think a good step would be to start enforcing San Pablo's code on trash bins being out on the street/ curb for a max of 24 hours.

Can this be added to the agenda today?

Thank you kindly,
Allison Torres
