Notes

Bajan Security follows all CDC protocols and guidelines. The majority of our guards are vaccinated and those that are not, are required to test for Covid 19 on a weekly basis. During work hours and while on duty all employees are required to wear masks (Protective Face Covering). Any signs of symptoms must be reported to management immediately.

Statement of Work: To ensure that Bajan Security and the City of San Pablo are focused on the same goals and expectations, we will require a statement of work that will set the correct expectations and guidelines for the Security guard.
