ORDINANCES

6. City Manager Rodriguez introduced the item concerning animal control provisions in the City's Municipal Code. City Attorney Nerland explained that the ordinance before the City Council is scheduled for a first reading but because of state law

procedures, the second action is to set the public hearing for October 15, at which time the Police Department would make a presentation. She further stated that state law requires that when a city is adopting another entity's ordinance, a first reading is held and the public hearing set, and that at the second reading, there would be a more thorough discussion about the item after presentation from staff. It was moved by Vice Mayor Morris, seconded by Councilmember Valdez, and unanimously approved to waive the first reading of the proposed ordinance; to adopt **Resolution 2018-129**, a Resolution of the City Council of the City of San Pablo setting a public hearing for October 15, 2018; and to introduce an Ordinance amending Chapter 6.04 of the San Pablo Municipal Code regarding animal control including adoption by reference of Chapters 41602 to 416-12 of Division 416 of the Contra Costa County Code, "Animals" with the exception of Article 416-12.10. (#18-307)

CITY COUNCIL DISCUSSION / AUTHORIZATION

7. City Manager Rodriguez provided background information on the recent action by Council on September 4, 2018 regarding benefits and compensation for elected officials and the current benefits and compensation for the elected clerk and elected city treasurer having been capped by an ordinance adopted in 2014. Consideration of additional benefits or compensation for the elected clerk and city treasurer are currently not a policy item on the Council Priority Workplan. However, there is an item included in the Council Priority Workplan to explore the feasibility for a future City Council to approve and place on the ballot a measure for San Pablo voter consideration to convert the elected city clerk and elected city treasurer to appointed city officials. At this time, the rationale for potential future conversion of the elected clerk/treasurer to appointed officials would be to emulate best practices of professionalizing the city clerk and city treasurer functions. Nearly 78% of California cities have appointed city clerks, and of the 19 Contra Costa County cities, 7 have elected clerks and/or treasurers and the rest are appointed. Mr. Rodriguez also referred to the community survey Strategy Research Institute (SRI) conducted in July 2014 and reported that of those surveyed, 58% did not support converting the elected positions to appointed positions. He further reported that the cities of Antioch, Concord, Martinez, Pinole, Pittsburg and Walnut Creek have an elected clerk or treasurer or both.

City Manager Rodriguez suggested deferring consideration of adding an item in the Council Priority Workplan for compensation and benefits of the elected City Clerk and City Treasurer until after the November 2018 election.

Cordell Hinder expressed that a stipend of \$250 per month is reasonable.

Mayor Calloway mentioned that the policy item cannot be considered until it is placed in the City Council Priority Workplan and it would make sense to wait until after the new City Council is seated in December 2018.

It was moved by Mayor Calloway, seconded by Vice Mayor Morris, and unanimously passed, to continue the policy discussion on the enhancement of compensation and benefits to the elected City Clerk and elected City Treasurer.

8. City Manager Rodriguez introduced the item and provided background information on the formation of the Childhood Obesity Prevention Advisory Group, including the amendment to the composition of membership guidelines as approved under previous agenda item #3 above. City Manager pointed to the last minute agenda correspondence that outlined the procedures for conducting the interviews of potential members on the Advisory Group. Applicants Gwenndolyn White, Mayra Lopez and Patricia Ponce were interviewed by the City Council with questions agreed upon by the City Council: City Manager Rodriguez explained the two- and one-year term appointments. It was moved by Councilmember Kinney, seconded by Vice Mayor Morris, and unanimously approved, to make the following appointments:
- Gwenndolyn White (Contra Costa County Health Services) (**two-year term 2018-2020**)
 - Mayra Lopez (Contra Costa County Health Services) (**two-year term 2018-2020**)
 - Patricia Ponce (Community/Public) (**one-year term 2018-2019**)

MAYOR AND CITY COUNCIL ASSIGNMENTS REPORTS

The City Council reported on their recent activities.

It was moved by Councilmember Kinney, seconded by Vice Mayor Morris, and unanimously passed to place on a future City Council agenda the discussion of potentially adding Conducting a Noise Study to the Council Priority Workplan, and to follow-up with Richard Stollings and Clifford Hodge regarding his complaints of vehicles doing donuts on his street and provide a report from staff regarding the issues raised.

Respectfully submitted,

Elizabeth Pabon-Alvarado, City Clerk
