BACKGROUND

On April 16, 2018, the City Council adopted Resolution 2018-060 regarding the Public Safety Equipment Project and procurement of technology including situational awareness cameras and automated license plate readers and related software. The City Council authorized the City Manager to execute a four-year lease agreement with Fleetwood Leasing LLC (through Kansas State Bank) for Fiscal Years 2018/19 through FY 2020/21 for this City-wide Public Safety Equipment Project, at a total not to exceed cost of \$2,608,530. The first year of the lease financing agreement was paid in the amount of \$1,000,000 with funding appropriated under the General Fund Designated Reserve. Resolution 18-060 also provided direction on paying for the remaining \$1,608,530 project balance: “

Subsequent annual payments of \$536,177 will be paid in fiscal years 2018/19, 2019/20, 2020/21, with funds appropriated from General Fund Designated Reserve if available and after approval by the City Council.”

FISCAL IMPACT

The total amount due for payment is \$536,176. Staff requests that the City Council authorize the appropriation of \$536,176 for this project from the FY 2018/19 General Fund Designated Reserves (Major Operating Contingencies) to the Police Department’s Professional Services Account (100-2110-43600).
