BACKGROUND

On April 27, 2020 at a Special City Council Meeting, the City Council approved an Urgency Ordinance temporarily prohibiting evictions of residential and commercial real property tenants impacted by the COVID-19 pandemic and establishing a moratorium on rent increases through May 31, 2020.

In addition, the City Council gave direction on establishing a housing assistance program, with initial program guidelines, for providing a one-time grant per household of up to \$1,000 per household to help pay for rent, mortgage or utility payments during the County Shelter-in-Place (SIP) due to a job loss or reduction in work hours caused by the COVID-19 pandemic.

On May 4, 2020, the City Council of the City of San Pablo adopted Resolution 2020-054 establishing the COVID-19 Housing Assistance Program for Fiscal Year 2019/20 (FY2019/20 Housing Program). The FY 2019/20 Housing Program provides one-time grants of up to \$1,000 per household for eligible San Pablo residents to help pay for rent, mortgage or utility payments due to a job loss or reduction in work hours caused by COVID-19 and appropriating \$250,000 in Low-Income Housing Funds to fund the FY 2019/20 Housing Program.

Increasing the Housing Grant Amount for Fiscal Year 2019/20

On May 31, 2020, the application period under the FY 2019/20 Housing Program ended and the City received a total of 210 applications. Of the applications, 100 have been approved, 31 will be approved pending submission of required documentation and 79 were denied. To maximize the benefit to San Pablo residents, the first proposed resolution amends the FY 2019/20 Housing Program Guidelines by increasing the maximum grant amount from \$1,000 to \$2,000 per household to eligible San Pablo Residents as follows:

	1 Person	2 Person	3 Person	4 Person	5 Person
80% or lower of AMI	\$ 800.00	\$ 1,000.00	\$ 1,200.00	\$ 1,400.00	\$1,600.00
50% or lower of AMI	\$1,000.00	\$ 1,200.00	\$ 1,400.00	\$ 1,600.00	\$1,800.00
30% or lower of AMI	\$1,200.00	\$ 1,400.00	\$ 1,600.00	\$ 1,800.00	\$2,000.00

Establishing a Housing Grant Program for Fiscal Year 2020/21

The SIP began in March and has lasted longer than expected and is going on four months now. The impacts of the COVID-19 pandemic have severely affected vulnerable San Pablo residents particularly those with lower incomes. To assist San Pablo residents through this difficult time, the proposed resolution establishes new Program Guidelines for a COVID-19 Housing Assistance Grant Program for FY 2020/21 (FY 2020/21 Housing Program).

Similar to the original provisions of the previous Housing Grant, the FY 2020/21 Housing Program grant amount will be based on income levels and household size and will provide a maximum grant amount of \$1,000 per household.

The FY 2020/21 Housing Program will be funded using the City's FY 2020/21 Low Income Housing funds (Program Funds) and will begin accepting applications starting July 1, 2020 and will end on

September 30, 2020 or when the Program Funds are exhausted. The new grant program will be on a first come first served basis and households who received grant funds from the previous FY 2019/20 Housing Program will not qualify.

FISCAL IMPACT

No additional funding is needed to increase the grant amount under the FY 2019/20 Housing Program as the City Council already appropriated up to \$250,000 in Low-Income Housing Funds, and the increase in the grant amounts would be absorbed within this appropriation.

The FY 2020/21 Housing Program will be funded using FY 2020/21 Low Income Housing Funds. The proposed resolution appropriates \$250,000 from fund balance in the Low-Income Housing Fund (250-0000-00000) to a spendable account in the Economic Development budget (100-1320-44000-COR-RLF) to fund the FY 2020/21 Housing Program in fiscal year 2020/21.
