**COMPLIANCE STATEMENTS**

Budget Spending Controls is an adopted policy item under the FY 2021-23 Council Priority Work Plan, effective March 15, 2021. In addition, Community Outreach and Priority Oriented Policing Program are adopted policy items under Public Safety in the Work Plan.

**CEQA Compliance Statement**

This is not a project as defined by CEQA. Pursuant to Section 15001 of the California Environmental Quality Act (CEQA) Guidelines.

**BACKGROUND**

The Priority Oriented Policing (POP) Unit is tasked with working with local businesses and residents to address priority issues which impact our community. These issues include addressing licensed alcohol establishments within San Pablo and the crime associated with alcohol in those areas.

The City of San Pablo has 61 alcohol outlets within 2.6 square miles. The large majority of problem licensees are concentrated in areas that have both the highest crime rates and the greatest number of off-sale premises (alcohol sold to be consumed off the premises, such as liquor stores).

In past years, the City of San Pablo successfully entered into agreements with the California Alcohol Beverage Control ("ABC") as part of their "Grant Assistance to Local Law Enforcement Program. The San Pablo Police Department was selected by ABC for funding and to participate in the "Grant Assistance to Local Law Enforcement Program." The total amount of ABC-provided grant funding is \$47,973. The City of San Pablo supports the grant goals and wishes to participate in the "Grant Assistance to Local Law Enforcement Program." Funds are provided for overtime pay for enforcement operations and operating expenses, and internal ABC enforcement training for patrol officers. Additionally, the POP Unit will conduct inspections and provide training to local business owners on relevant issues, laws, and responsibilities of licensed alcohol establishments. The 2021 ABC grant period is from July 1, 2021 through June 30, 2022.

**FISCAL IMPACT**

Grant funding in the amount of \$47,973 would be accepted and appropriated to the FY 2021/22 overtime line (100-2110-41002) to fund grant activities.
