BACKGROUND

Under the Government Claims Act, California Government Code Section 810 et. Seq., there is a process for submitting a claim when a public agency is allowed to be liable. As set forth in Section 815(a): "Except as other provided by Statute: [a] A public entity is not liable for an injury, whether such injury arises out of an act or omission of the public entity or a public employee or any other person."

FISCAL IMPACT

Claims are generally addressed through the City's joint risk pool as a General Fund obligation.
