### **SUBJECT:**

RECEIVE AND FILE THE 4TH QUARTER BUDGET REPORT FOR FISCAL YEAR ENDING JUNE 30, 2018

### **RECOMMENDATION**

For Informational Purposes Only

### **COUNCIL PRIORITY WORKPLAN COMPLIANCE STATEMENT:**

*General Fund Reserves Protection, Budget Spending Controls, and Increase Financial Transparency* are adopted policy items under the FY 2018-21 Council Priority Workplan, effective November 1, 2017.

### **CEQA Compliance Statement**

This is not a project as defined by CEQA.

### **BACKGROUND**

Best Management Practices (BMP's) established by the Government Finance Officers Association (GFOA) urge local governments to fulfill their financial reporting responsibilities by providing timely financial statements regarding the entire financial reporting entity. This 4<sup>th</sup> quarter budget report, therefore, is provided to the City Council to support meeting the City's fiduciary responsibilities to the residents of San Pablo.

This report uses unaudited figures and is for budgetary control purposes only. The final year-end audited fund balance will be contained in the Comprehensive Annual Financial Report (CAFR) and will be presented to City Council no later than January 2019.

### **4<sup>th</sup> Quarter Revenues**

At \$43.5 million, revenues collected are 110% of budget, resulting in the addition of \$4.0 million. The

excess is primarily due to additional casino revenue of \$2.7 million, property tax of \$0.8 million, charges for service of \$0.7 million and miscellaneous revenues of \$0.7 million. This overage is offset by shortages in intergovernmental revenue of \$0.5 million and sales tax of \$0.7 million. However, because of the lag in collection of sales tax, staff expects that the entire sales tax shortfall will be made up in subsequent payments from the State.

#### 4<sup>th</sup> Quarter Expenditures

At fiscal year-end, the operating expenditure budget is in good shape. With an adjusted budget of \$41.1 million, a total of \$36.9 million was spent, leaving 10% of the budget unspent. When accounting for the \$2.2 million in encumbered funds, \$2.0 million is left available, or 5% of budget. The City ended the fiscal year under budget on the expenditure side and should return at least \$2.0 million to fund balance.
