BACKGROUND

Kaiser Permanente's (KP) East Bay Community Benefit Program Grant is a competitive grant, open to all East Bay public governmental agencies, profit and nonprofit institutions, institutions of higher education, community groups, and faith-based organizations with an emphasis on reaching low-income, under resourced communities. For this particular funding cycle, KP is focusing on funding priorities that emphasize Access and Delivery, Healthy Eating Active Living, Behavioral Health, and Community and Family Safety. These priorities align well with priorities of the Community Services Department (Recreation, Seniors, and Youth Services) as well as the Community Action Plan (CAP) document that was memorialized by the Child Obesity Prevention Task Force in 2014.

The grant deadline is April 28, 2017. The award ranges between \$30,000 and \$50,000 and all awards are subject to the availability of funds.

If the City's application is accepted and San Pablo is awarded grant funds, the Community Services Director requests that funds be utilized to purchase materials, equipment, or to support programs and services that are outlined in the CAP (Attachment A) and/or support work that is performed as part of the Community Services Department Divisions of Recreation, Seniors, and Youth Services that align

with the grant guidelines.

FISCAL IMPACT

Approval of this resolution will result in no direct fiscal impact to the City, but may result in the awarding of grant revenues to the City in the amount of \$30,000 to \$50,000. If the City receives a grant award, staff will return to City Council requesting acceptance and appropriation.
