Currently, the City of San Pablo owns a building, located at 2023 Vale Road in San Pablo, which houses the Lifelong Brookside San Pablo Health Center. This Lifelong facility provides high-quality medical, dental, and social services to people of all ages. Lifelong is dedicated to helping each patient live a healthy productive life. In addition to offering care, Lifelong offers a range of patient education and outreach services.

Patients of LifeLong Brookside San Pablo Health Center have access to a wide variety of providers and resources. Lifelong is continually evolving to meet the needs of local patients and the surrounding community. Lifelong's core services include:

- Primary Health Care for Adults
- Pre/Post Natal Care
- Pediatrics
- Case Management
- Multi-disciplined Care Coordination
- Health Education
- Social Services Resources
- Patient Advocacy

City Council Ratification Approval

On July 22, 2019, a letter of support was drafted and signed by Mayor Kinney to be transmitted to CEO Marty Lynch of Lifelong Medical Care in support of its SAC HRSA-20-015 grant application (see attachment).

Ratification of said letter of support requires City Council minute action approval via majority vote this evening.

FISCAL IMPACT
