BACKGROUND

Adopted City Council Priority Workplan (FY 2021-23)

At a Special Meeting/Workshop on February 10, 2021, the City Council spent an afternoon discussing and establishing City priorities for the coming year beyond the daily operational and legal requirements for the City. As is true of any priority-setting effort, there is trade-off in choosing some priorities over others as there are limited staff and other resources. On March 15, 2021, following a rescinding of previously adopted Resolution 2021-018, the San Pablo City Council adopted a revised City Council Priority Workplan (Workplan) for period FY 2021-23 via adopted Resolution 2021-026.

Two-Step Process for Amending Workplan

For the Council to consider mid-year amendments to the Priority Workplan to add additional policy items requires a Two-Step Process to support the interests of open government and transparency and to ensure ongoing compliance with the Ralph M. Brown Act, as follows

Step #1: Adopt by majority vote, via minute order, to add the proposed policy amendment to a future City Council agenda for discussion; and

Step #2: Have the discussion about the proposed Priority Workplan amendment as part of an agenda item at the City Council meeting. Following Council discussion about the

policy amendment, adopt by majority vote via Resolution to add the policy amendment to the Workplan.

Proposed Workplan Amendment for City Council Discussion

Following initial discussion at the March 1, 2021 City Council meeting, on motion made by Councilmember Pineda and duly seconded, the City Council agreed to schedule a future policy discussion at the regularly City Council meeting on April 5, 2021 to potentially amend the Workplan, as follows:

MAJOR POLICY AREA: BUILD A HEALTHY COMMUNITY

Add/New: Policy Item #115:

Research and explore efforts at the Federal, State and Local level regarding a Minimum/Living Wage Increase for San Pablo workers and businesses

City Council Policy Consideration - Amend City Council Priority Workplan

Once adopted by Resolution, the City Manager may conduct additional policy research and/or develop specific policy recommendations related to this adopted policy amendment for subsequent formal discussion and approval by the City Council in the near future. A proposed Resolution is included with this staff report for formal consideration and potential adoption by majority vote of the City Council this evening (See Attachment).
